### Community Resilience Panel Membership Form

**Participation Commitment.** Two meetings per year and committee conference calls or virtual meetings at the discretion of the individual committees.

**Membership Application.** To become a member of the Community Resilience Panel for Buildings and Infrastructure Systems, please fill out the online form below. If you would rather not submit your registration online, please complete [this form](#) and email it to [resilience@ara.com](mailto:resilience@ara.com) with the subject "Panel Registration."

**Notwithstanding Statement.** This application collects and stores name, address, email address and telephone number, which the Department of Commerce considers to be non-sensitive personally identifiable information (PII). NIST will take reasonable precautions to protect PII transmitted by this application. The transmitted information can only be compromised as a result of theft, fraud, or other illegal activity. If you do not wish to accept this risk, please contact [Stephen.Cauffman@nist.gov](mailto:Stephen.Cauffman@nist.gov) to submit your membership application.

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Steven Cauffman, 100 Bureau Drive, Mailstop 8615 Gaithersburg, MD 20899 (301) 975-4447 [stephen.cauffman@nist.gov](mailto:stephen.cauffman@nist.gov).
