Dear Genevieve Martinez-Garcia,

You are hereby notified that the IRB APPROVED, by expedited board review modification to the above referenced Protocol on 10/08/15. The level of risk is no more than minimal and is consistent with 45 CFR 46.404. The expedited review category applicable to the study approval is: 7. Future continuing reviews will be due, October 7, 2016.

Based on the information provided to us, the proposed research has been deemed to be in compliance with the OHRP for the Protection of Human Subjects (45 CFR 46).

- The modifications include minor revisions to existing questions and the addition or new questions.
- This project should be conducted in full accordance with all applicable laws and regulations, and must adhere to the project plan that has been approved by Solutions IRB. You must notify Solutions IRB immediately of any proposed changes that may affect the status of your approval or the risk to participants. You must also report any unanticipated problems involving risk to participants or others to Solutions IRB immediately.
- Upon any inquiries or reports about the conduct of this study, or on the receipt of any participant or other complaints, or in conjunction with a routine compliance audit, you may be asked to provide documentation to Solutions IRB related to this study and are expected to immediately comply with any such requests.
- If this project continues beyond the approval expiration date indicated above, Solutions IRB will require continuing review of the project. You must submit continuing review materials at least ten (10) business days prior to the expiration date to allow time for review and avoid the lapse of approval.
- Upon completion of the research project, please notify Solutions IRB so that we can close out your study as appropriate.

We look forward to continuing to partner with you to ensure the ongoing protection of participant rights. If you have any questions or need additional information, please contact us at reviews@solutionsirb.com or call 1-855-226-4472.

Sincerely,

Dana Gonzales
