

Screen Shots of Workplace Health in America Survey – Section 3

HPR8.1.

The screenshot shows a web browser window with the URL <https://survey.rti.org/SE/default.aspx>. The page header includes the CDC logo (Centers for Disease Control and Prevention) and the Workplace Health in America logo. A progress bar indicates that 51% of the survey is complete. The main content area contains a question: "In the past 12 months, did you offer any programs to address stress management for employees?". Below the question are four radio button options: "Yes", "No", "Don't know", and "Refuse". At the bottom of the question box are "Back" and "Next" navigation buttons. A blue callout box on the right side of the page contains the instruction: "If HPR8.1. is NO, DK, REF, skip to HPR8.2.". The Windows taskbar at the bottom shows various application icons and the system tray with the date and time: 2:13 PM, Wednesday, 1/27/2016.
