Application for NIH Support to Participate in Industry and Investor Showcase Events

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

By submitting this application, you are providing permission to share its contents with external investors, potential strategic partners, and expert reviewers. You are also certifying that you have not included confidential information that you do not wish to share with non-NIH experts.

Provide the NIH SBIR/STTR award numbers (grant/contract) for the one (1) technology or product that you would

ed for the event.
