Request for Approval under the "Conference, Meeting, Workshop, and Poster Session Registration Generic Clearance (OD)"

(OMB#: 0925-0740 Exp Date: 05/2019)

TITLE OF INFORMATION COLLECTION: LRP Ambassador Sign-up and Consent

PURPOSE: To register individuals who choose to become Ambassadors for the Loan Repayment Programs (LRP) at the National Institutes of Health (NIH), and to record their consent to share their personal identifying information on the Ambassadors web page of the LRP website. LRP Ambassadors are primarily early career investigators who receive an LRP award and who agree to provide outreach about the LRPs to potential applicants (e.g., post-doctorates) at their institutions. The information collected from Ambassadors who agree that their personal information may be shared will be compiled into a directory to assist potential applicants in finding an Ambassador to talk with about the Loan Repayment Programs.

DESCRIPTION OF RESPONDENTS: There are approximately 7500 early career investigators who received an LRP award between 2011-2015. They will be sent an email invitation to become LRP Ambassadors. Those who wish to do so will be asked to complete the online sign-up form for which clearance is being sought. In addition, there are approximately 300 individuals who received an LRP prior to 2011, previously agreed to serve as Ambassadors, and reconfirmed their interest in 2016 via email, who will also be asked to complete the sign-up form.

Each year, approximately 1500 early career investigators receive an LRP award. An invitation will be extended to them to become Ambassadors for the program in the future. If they accept the invitation, they will also complete the form in order to be registered as Ambassadors.
