YOUR PRIVACY IS PROTECTED

This information is collected and used to determine whether the National Institutes of Health (NIH) is reaching a diverse population of trainees/fellows. Your individual responses will be kept secured to the extent permitted by law. The information collected will only be disclosed in aggregate as NIH evaluates its efforts to reach a diverse population of trainee/fellows, providing this information is voluntary and has no impact on your status as a trainee or fellow.

Public reporting burden for this collection of information is estimated to average five minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648).
