Abstracts are due October 15, 2018

Awardees are encouraged to present their research activities at the symposium, either as an oral presentation or poster.

Oral Presentations

Oral presentations will be 15-60 minutes. Speaker selection will seek programmatic balance across scientific topics. Speaker selections will be made by mid-March and speakers notified via email.

Poster Presentation

Space is available for up to 100 posters. Poster selections will be made by mid-March and presenters notified by email.

NOTICE:

OMB Control Number: 0925-0740

Expiration Date: 05/2019

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

This website is not government-owned. Collected personally identifiable information will be used by symposium organizers to contact you (name and email address) and in the finished publicly-available symposium abstract booklet (name and institution). By using this third-party application, you may be providing nongovernmental third-parties access to your information. The official symposium website can be found at http://autonomicneuroscience.info/ISAN/ISAN_2019.html. For more information on our privacy policy, see <https://www.nih.gov/web-policies-notices>.
