The National Institutes of Health Graduate & Professional School Fair will be held on DATE at the Natcher Conference Center on the NIH campus in Bethesda, MD. The exhibits will be open from TIME to TIME. This fair will provide an opportunity for representatives of graduate and professional schools to meet and recruit up-and-coming young scientists taking part in the NIH Postbaccalaureate and Summer Internship Programs and college and university students from the Washington, DC area.

Student interest is highest in the following schools/programs: medical school, graduate school (PhD programs in all the biomedical sciences), MD/PhD programs, public health programs, psychology, dental school, nursing school and pharmacy school.

There is no charge to exhibit at the fair, but space is limited. Exhibitors will be provided a table and several chairs. Please note you may be asked to share a table. Each year we have an overwhelming response and table sharing has become the norm.
