DESCRIPTION

OMB # 0925-0740

Expiration Date: May 2019

Public reporting burden for this collection of information is estimated to average 5-20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

EVENT DESCRIPTION

Registration is open for the Consortium of METabolomics Studies (COMETS) Scientific Meeting *Establishing Collaborations for a New Era of Population-Based Metabolomics Research*. The meeting will be held on Saturday, June 23, 2018, from 8:30 a.m. to 7:30 p.m. and Sunday, June 24, 2018, from 8:30 a.m. to 11:00 a.m. at the Washington State Convention Center, Room 303, Seattle, Washington directly prior to Metabolomics 2018.

The meeting will bring together cohort member investigators to discuss emerging science, current projects, and collaborative opportunities for new projects. Representatives from projects outside of COMETS will also be in attendance, including the NIH Common Fund Metabolomics Program, the Metabolomics Quality Assurance and Quality Control Consortium (mQACC), Trans-omics for Precision Medicine (TOPMed), Children's Health Exposure Analysis Resource (CHEAR), and Environmental Influences on Child Health Outcomes (ECHO).

Day one: Scientific Sessions, Poster Session, and Working Group Meetings

Day two: Steering Committee Meeting

This is an invitation-only meeting, and only those that receive an e-mail through the Eventbrite site may register.

ABSTRACT DETAILS

The Scientific Meeting Committee invites submissions for consideration for poster presentation. **Abstract submission deadline: June 1, 2018 at 11:59PM ET.** To submit an abstract, please contact Elise Hoover, MPH, at hooverem@mail.nih.gov.
