ABSTRACT SUBMISSION INSTRUCTIONS

(OMB#: 0925-0740 Exp Date: 05/2019)

Abstracts for consideration as poster presentations are welcome and due by **September 4th, 2018 by 11:59PM**. Abstracts should be no more than 400 words. All abstracts submitted will be printed electronically and may be posted on the meeting website. Please be sure to carefully check your abstract for content errors, spelling, names, etc. before submitting.

***** PLEASE REGISTER BEFORE ABSTRACT SUBMISSION ***** Presenting authors must also register for the meeting as the submission of an abstract does not register you for the meeting.

Guidelines for Abstract Submission: Please follow the guidelines below for preparing your abstract. Abstracts that do not comply with the stated specifications may be returned for editing.

Preparing Your Abstract:

- Please use MS Word, (PC or Mac) to type your abstract. Save the abstract on your computer.
- Format your abstract using 10-point Times font and 1-inch margins.
- Abstracts may not be longer than one page.
- The TITLE of your abstract should be in all uppercase letters
- List the authors' last names and first initials in all uppercase letters, and affiliations in both uppercase and lowercase letters, directly below the title.
- Underline the name of the presenting author.
- Identify the corresponding affiliation and location for each author.
- Skip one line between the listing of authors and the text of your abstract.
