

Workshop to Facilitate Cancer Systems Epidemiology Research

February 28 - March 1, 2019 | Bethesda, MD

Workshop to Facilitate Cancer Systems Epidemiology Research Registration Form

**Please enter the information below to register for the in-person workshop. Registration deadline:
Friday, February 15, 2019.**

OMB No. 0925-0740

Expiration Date: 05/31/2019

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

* 1. First Name

* 2. Last Name

* 3. Degree

* 4. Email Address

* 5. Phone Number

* 6. Job Title

* 7. Organization

8. NIH Affiliate

I am with the National Institutes of Health

* 9. During the workshop, participants will separate into rotating discussion groups. Please indicate your top three groups by ranking the following from 1 (top choice) to 4 (last choice).

- Group 1: Facilitators and Barriers to Success - Discuss those items needed to apply systems approaches to epidemiology research
- Group 2: Opportunities for Systems Epidemiology - Discuss questions well-suited for systems epidemiology
- Group 3: Approaches and Methods - Identify existing methods and needs for new methods
- Group 4: Data Availability - Discuss available data and identify data needs
