8.	List the clinical and laboratory findings, complication	s, or need for special services which justified the patient remaining	an "emergency case" for the entire period claimed
	and which precluded an earlier transfer to a particip	ating hospital, or discharge.	

FINDINGS, COMPLICATIONS, OR SERVICES	DATE
 Give the earliest date on which it was permissible, from a medical standpoint, to either transfer the patient to a participating hospital or extended care facility, or to discharge the patient. 	MONTH DAY YEAR

10. Discharge diagnosis(es) (Show only diagnosis(es) that were related to the alleged emergency)

10a. Other contributing conditions

11. Please include (or attach) any additional information which you believe may be helpful in reaching a decision on this case.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of informatic	on unless it displays a valid 0MB control number. The valid
0MB control number for this information collection is 0938-0023. The time required to complete this information coll	ection is estimated to average 15 minutes per response,
including the time to review instructions, search existing data resources, gather the data needed, and complete and	review the information collection. If you have any
comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: 0	CMS, 7500 Security Boulevard, C4-26-05, Baltimore,
Maryland 21244-1850.
