Grant Information

- a. **Grantee Name and Address** – NO ENTRY REQUIRED
- b. **Grant Number** – NO ENTRY REQUIRED
- c. **Period of Grant** – NO ENTRY REQUIRED
- d. **Reporting Period** – NO ENTRY REQUIRED

Part 1: Temporary Housing Activities

Part 1 of the HAS is to be completed by NFJP grantees receiving funding for temporary housing activities.

LINE I. Total Individuals Served – Enter in the column for the current reporting quarter (i.e. 1st quarter, 2nd quarter, 3rd quarter, or 4th quarter) the cumulative number of individuals served for the program year.

An “**Individual Served**” is a participant of the program or another individual that benefits from the housing services provided, typically a family member of the participant. For example, a participant of the program is provided temporary rental assistance, and the two family members residing with that participant benefit from the service. Therefore, three individuals have been served.

A “**Participant**” is any individual who is determined eligible to participate in the program and receives a service funded by the program. Participant counts do not include individuals who only receive a determination of eligibility to participate in the program.

LINE I.A. New Individuals Served – Enter in the column for the current reporting quarter the cumulative number of new individuals served during the program year.

LINE I.B. Individuals Carried Over From Previous Program Year – If applicable, enter the number of individuals served in the program on the last day of the previous program year who continued in this program year. This number remains constant for the program year.

LINE II. Total Families Served – Enter in the column for the current reporting quarter (i.e. 1st quarter, 2nd quarter, 3rd quarter, or 4th quarter) the cumulative number of families served for the program year.

A “Family” is two or more individuals falling under one of the relationships described in 20 CFR 669.110: spouse; child, grandchild, or great grandchild, including legally adopted children; stepchild; brother, sister, half brother, half sister, stepbrother, or stepsister; parent, grandparent, or other direct ancestor but not foster parent; foster child; stepfather or stepmother; uncle or aunt; niece or nephew; father-in-law, mother-in-law, or son-in-law; or daughter-in-law, brother-in-law, or sister-in-law. For example, a participant of the program is provided temporary rental assistance, and the two family members residing with that participant benefit from the service. Three individuals have been served, and one family has been served. If a participant of the program has no other family member that is a participant or benefits from the housing services provided, then that participant is not to be recorded as a “Family” for the purposes of this report.

LINE II.A. New Families Served – Enter in the column for the current reporting quarter the cumulative number of new families served during the program year.

LINE II.B. Families Carried Over From Previous Program Year – If applicable, enter the number of families served in the program on the last day of the previous program year who continued in this program year. This number remains constant for the program year.
