## **Instructions for Recipient**

Distributions you received from a cooperative may be includible in your income. Generally, if you are an individual, report any amounts shown in boxes 1, 2, 3, and 5 as income, unless nontaxable, on Schedule F (Form 1040), Schedule C (Form 1040), or Form 4835. See the Instructions for Schedule F (Form 1040) and Pub. 225 for more information.

Recipient's identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the issuer has reported your complete identification number to the IRS.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

assigned to distinguish your account.

Box 1. Shows patronage dividends paid to you during the year in cash, qualified written notices of allocation (at stated dollar value), or other property (not including nonqualified allocations). Any dividends paid on (1) property bought for personal use or (2) capital assets or depreciable property used in your business are not taxable. However, if (2) applies, reduce the basis of the assets by this amount.

**Box 2.** Shows nonpatronage distributions paid to you during the year in cash, qualified written notices of allocation, or other property (not including nonqualified written notices of allocation).

**Box 3.** Shows per-unit retain allocations paid to you during the year in cash, qualified per-unit retain certificates, or other property.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

- **Box 5.** Shows amounts you received when you redeemed nonqualified written notices of allocation and nonqualified per-unit retain allocations. Because these were not taxable when issued to you, you must report the redemption as ordinary income to the extent of the stated dollar value.
- **Box 6.** Shows the deduction amount you may take based on your portion of patronage dividends or per-unit retain allocations (boxes 1 and 3) attributable to qualified production activities income. To claim the deduction amount, this amount must have been designated in a written notice sent to you from the cooperative within the payment period under section 1382(d). Enter on the appropriate line of Form 8903.
- **Box 7.** This box shows unused investment credits passed through to you by the cooperative. Use Form 3468, and its instructions, to figure the amount of credit to which you are entitled.
- **Box 8.** This box shows unused work opportunity credits passed through to you by the cooperative. Use Form 5884 to figure the amount of credit to which you are entitled. If your only source of the credit is the cooperative, use Form 3800, General Business Credits, instead.
- **Box 9.** Shows the alternative minimum tax (AMT) adjustment passed through to you by the cooperative. Report this amount on Form 6251 on the appropriate line in Part I.
- Box 10. This box shows other unused credits and deductions (including depreciation) passed through to you by the cooperative. For information on how to report credits, see the instructions for the specific credit form. For information on how to report deductions, see the instructions for Schedules C and F (Form 1040) and Pub. 946.
