

Dear

I need your help with an important initiative we are undertaking to improve our service to America's taxpayers.

The Internal Revenue Service recently completed an examination (audit) of the entity shown above. In a few days, you will receive a survey asking your opinions about your experience and the service you received from IRS. If you are not the person who had the most contact with the IRS on this matter, please direct the survey to the person who did.

The primary purpose for requesting this information is to help the IRS improve its service to taxpayers. Our authority for requesting the information is 5 USC and 26 USC 7801. Providing information is voluntary. However, if you do not answer all or part of the survey questions, the IRS may lack information it could use to improve taxpayer service. The information you provide may be disclosed to an IRS contractor when authorized by law. The contractor is required to follow protections required by the Privacy Act and/or Internal Revenue Code 6103.

This brief survey should take less than eight minutes to complete. An independent research company, Fors Marsh Group, will administer the survey and will keep your responses anonymous to the IRS. No identifying information will be associated with your responses. Your responses will be combined with those of other recent customers and reported only in the aggregate to the IRS in order to provide an evaluation of customer satisfaction with IRS service.

We are committed to improving service to every customer. Please help me in this effort by completing and returning the survey as soon as possible.

Sincerely,

Sunita B. Lough Commissioner
Tax Exempt and Government Entities Division

Dear

A few days ago you received a letter from IRS, Tax Exempt and Government Entities (TE/GE) Commissioner Sunita B. Lough asking for your help with an important research project. The IRS is committed to improving its performance and service to the American public. As part of this process, we are administering a nationwide survey to gather reliable information from those who have had contact with IRS employees and services.

Your name was selected through a scientific random sampling process to receive this survey because IRS recently completed an examination (audit) of the entity shown above. We want to know your opinions regarding that experience and the service you received from IRS. Your responses are critical to the accuracy of this evaluation of the IRS's service. If another person was primarily responsible for dealing with the IRS on this matter, please pass this survey on to them and encourage them to respond.

Your participation is voluntary. An independent research company will keep your responses anonymous to the IRS. Your responses will be grouped with others, so that no individual reply can be traced back to a person or case number. No identifying information will be associated with your responses.

This brief survey should take less than eight minutes to complete. Use the postage-paid reply envelope to return your completed survey. If you have any questions or concerns, please contact the survey processing center at 1-800-521-7177 or email us at irssurveyhelp@forsmarshgroup.com.

To verify the authenticity of this survey, please visit IRS.gov and enter the search term **customer surveys**. The IRS Customer Satisfaction Survey page contains a list of valid, current and unexpired, IRS surveys and as of this issuance provides a reference to TE/GE Examinations.

Thank you in advance for your cooperation. Your honest opinions will help bring about improvements in the service IRS provides.

Sincerely,
