UAWG Allocation Methodology

Allocations

The UAWG, in coordination with the SAA POC, must develop a methodology for allocating funding available through the UASI program. The UAWG must reach consensus on all UASI funding allocations. If consensus cannot be reached within the 45-day time period allotted for the state to obligate funds to sub-recipients, the SAA must make the allocation determination. The SAA must provide written documentation verifying the consensus of the UAWG, or the failure to achieve otherwise, on the allocation of funds and submit it to DHS/FEMA immediately after the 45-day time period allotted for the state to obligate funds to sub-recipients.
