Survey Privacy

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the PIs/co-PIs, trainees, or other participants.

Information from this data collection system will be retained by NSF, a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staff, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form, or data explicitly requested "for general use," will be made available to anyone outside of the NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants and in response to Public Law 99-383 and 42 USC 1885c. The Social Security number (SSN) and date of birth will be maintained in accordance with the requirements of the Privacy Act of 1974. Submission of the SSN is voluntary. It is used for survey quality control, program evaluation, and matching with other data sets maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998).

Public Burden

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0136. The public reporting burden for this collection of information is estimated to average 75 hours per award including the time for reviewing instructions; 49 hours per PI; and 1 hour per IGERT Trainee/Associate. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection 3145-0136 (IGERT Program), Facilities and Operations Branch, Division of Administrative Services, National Science Foundation, 4201 Wilson Blvd., Suite 295, Arlington, VA 22230.

MAIN MENU

Welcome to the National Science Foundation's (NSF) Integrative Graduate Education Research Traineeship (IGERT) Program Annual Survey. We have designed this system to make it easy for you to report on your IGERT project's progress. See [Help & Instructions](#) for help getting started.

Note: Your answers to all questions in this survey will be kept confidential. Information that you provide will not be available to your principal investigator, or anyone else. Your PI will, however, be able to see the status of your submission because he or she will be unable to submit his or her own data until you have completed your survey.

- About You**
Provide your name, years of program involvement, and permanent contact information.

- Prior Experiences**
Provide basic information about your academic and professional experiences prior to your IGERT traineeship.

- Achievements**
Report any academic or professional achievements (e.g., publications, fellowships, honors) that you made during the current reporting period.

- Research Preparation**
Report any activities you engaged in that prepared you to participate in multidisciplinary or interdisciplinary research.

- Professional Skills**
Report any activities you engaged in that helped you develop professional skills.

- Career Preparation**
Report any activities you engaged in that prepared you for a career in a science, technology, engineering, or mathematics (STEM) field. Note: Economics is considered a STEM field.

- Internships**
Report any internships in which participated.

- International Experiences**
Report any international experiences that were part of your IGERT traineeship.

- Comments**
Describe the greatest benefit of your experience and share your ideas for improving the program.

- Training Confirmation**
Describe your overall training and stipend throughout the year.

- Final Submission to NSF**
Send the authorized final submission of your survey to NSF.
