Welcome

Welcome to NoyceWeb, the online data reporting system for the Robert Noyce Teacher Scholarship Program, authorized under the National Science Foundation Authorization Act of 2002 (P.L. 107-368). NoyceWeb allows you to provide the National Science Foundation (NSF) with reliable annual data. To enter NoyceWeb, please enter your NSF grant number and password in the boxes below and click on **Login**.

Notice: The system is closed for maintenance every first Sunday between 7 a.m. and 10 a.m. eastern time. The system will log you out after one hour of inactivity. You must re-enter your login credential to enter the system again.

DID YOU FORGET YOUR GRANT NUMBER OR PASSWORD?

Enter your e-mail address below and click on **Submit**. We will send your grant number and password to you.

E-mail

This feature is available only if you have previously logged in to NoyceWeb and provided us with your e-mail address. If you did not receive any login information or have not yet provided us with your e-mail address, please [e-mail us](#) or call toll free at (800) 665-8961.

SURVEY PRIVACY

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the principal investigators/co-principal investigators, support recipients, or other participants.

Information from this data collection system will be retained by NSF, a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staffs, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form or data explicitly requested "for general use" will be made available to anyone outside of NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants and in response to Public Law 99-363 and 42 USC 1885c. Date of birth will be maintained in accordance with the requirements of the Privacy Act of 1974.

PUBLIC BURDEN

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0136. The public reporting burden for this collection of information is estimated to average 14 hours per award, including the time for reviewing instructions. Each principal investigator's average reporting burden is 14 hours. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection 3145-0136 (Noyce Program), Facilities and Operations Branch, Division of Administrative Services, National Science Foundation, 4201 Wilson Blvd., Suite 295, Arlington, VA 22230.

Getting Started

Your reporting period is September 1, 2010, through August 31, 2011.

Please complete the sections in the order listed. To begin data entry, follow these steps:

1. From the Main Menu screen, access the first survey section by clicking on the name of the section. Please review each item with a , , , or .
2. Review and add to or correct (if necessary) the information found on the selected data entry screen. Click on the **Save** button at the bottom of the screen to save the screen and return to the Main Menu screen. Click on the **Cancel** button to return to the Main Menu screen without saving any data.
3. After you save your data, check the status icon displayed on the Main Menu screen for that data entry screen. A indicates that you must correct the record before submission. A indicates a record with incomplete preferred fields; i.e., the record can be submitted as is, but we prefer that you review it and, if possible, complete any fields marked with a . A indicates a record that is ready for submission. You may make any needed changes or additions right away or return to the question later.
4. Repeat the steps outlined above for each section of the survey.
5. Once you have answered all the questions, you will need to finish the survey by sending your authorized final submission to NSF. Click on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen to access the Final Submission screen and then click on the **Send Final Submission** button. If you do not want to send your final submission, click on **Cancel**.
6. After you have sent your final submission, your data will appear in the system as read-only. This means that you will still be able to view and print your submission, but you will not be able to alter the data. To generate a printed copy of your submission from the read-only version, click on **Print Data Entered to Date** on the left side of the Main Menu screen and follow the instructions on the Print Preview Menu screen. A spreadsheet copy of your submission can also be generated from the read-only version by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen.

Understanding the Status Icons

Status icons indicate the submission status of each section and show where the system has found problems or potential problems with the data you have entered.

The icon colors mimic a traffic light and indicate the submission status of each section and item as follows:

The Please Correct icon () indicates that you must correct the record before you submit your data.

The Please Review icon () indicates a record that we would like you to review and complete, if possible, before submitting your data; however, completion is not required before you submit your data.

The OK icon () indicates a record that is ready for submission; i.e., no changes are required prior to submitting your data.

The Please Complete icon () indicates a record for which no data have been entered.

Saving Data and Returning to the Survey

The system is designed to allow you to work on an entry, save your work, leave the system, and return later to continue where you left off. You can continue to return to the system and make any necessary revisions and updates until you send your authorized final submission to NSF by clicking on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen. As noted elsewhere, sending your final submission to NSF will complete your survey submission and lock your data. After final submission, you may return to this site as often as you like to view the read-only version of your data, but you will not be able to alter the data.

Each time you click on the **Save** button, your data are transferred to NSF and stored in a computer system there, not on your hard drive. You can access your data at any time using NoyceWeb.

Leaving a Field Blank

You can intentionally leave a field blank if you think that the field does not apply to your award or that the best answer is to leave it blank. If the answer to the question is zero (0), please enter a "0" rather than leave the field blank. If a Please Review icon (⚠) is displayed because a field is blank and if your record has no errors, you will still be able to send your authorized final submission to NSF. This icon appears when we would like you to review preferred fields, but it will not prevent or delay final submission.

If a Please Correct icon (❌) is displayed next to a field that you have left blank, it means that the field is required and must be completed before final submission can occur.

Final Submission

When you successfully complete your authorized final submission, the Final Submission Complete screen will display to acknowledge your success. From that point forward your access to NoyceWeb will be read-only. You will see the words "read-only version" at the top of the Main Menu screen, and you will not be able to save any changes that you make to the data. Although you will be able to change the data onscreen, there will not be a **Save** button available to allow you to commit those changes.

You can print a copy of your final submission by clicking on **Print Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Print Preview Menu screen. This screen allows you to select all or part of the data you have entered to view and print. Alternatively, you can download a copy of your submission by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Download Menu screen. This screen allows you to select data you have entered to download into a Microsoft Excel spreadsheet.

Additional Help

Each screen has screen-specific definitions and other helpful information that can be accessed by clicking on **Help with this screen** on the left side of the screen. A new window will pop up that contains help for that screen. You can print the Help window by clicking on **Print** in the top right corner of the window. Close the Help window by clicking on **Close This Window** in the top right corner of the window. If you do not immediately return to your data entry screen, click on your browser's **Back** button.

To print the NoyceWeb instructions, click on **Help & Instructions** on the left side of the Main Menu screen. Select "Print" from your browser's File dropdown list. To return to the Main Menu screen, click on the **Main menu** button on the left side of the screen.

You can contact us by e-mail for additional help. Questions e-mailed to support@noyceweb.org will be answered promptly by Noyce Technical Support. Noyce Technical Support is also available by calling (800) 665-8961.

Frequently Asked Questions

Which Web browser should I use?

We have attempted to make the Noyce Annual Survey accessible to a variety of equipment and software. Using the latest version of Microsoft (MS) Internet Explorer may provide the best results. The latest versions of Mozilla Firefox, Safari, and Chrome may also be used. Overall, these pages will look best if you use an up-to-date Web browser. If your browser is more than 6 months old, some pages may not display properly, and some features may not work. Current versions of many browsers are available free online.

What do I do if I forget my grant number or password? How do I change my password?

If you have forgotten your grant number or password or want to change your password, please contact Noyce Technical Support at support@noyceweb.org. You may also request this information by entering your e-mail address on the Login screen and clicking on the **Submit** button. We will then e-mail your grant number and password to you.

NOTE: The e-mail password feature will work only if you have previously logged in to the Noyce survey and provided us with your e-mail address.

How do I navigate a Web page?

To move around the fields and text boxes on the screen, click in the field or text box with your mouse. The **Tab** key will also move your cursor from field to field. To move down the screen, click on the scroll bar on the right side of the screen, hold the mouse button down, and drag the bar down the screen.

Some sections of the survey have data preloaded for me. Do I have to make changes to those sections?

You should review these sections to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Be sure to save each section after reviewing it, regardless of whether any corrections were made.

Noyce Technical Support preloads survey data that were entered in the previous year's data collection in order to save you time and provide a historical record of Noyce award data.

What is the reporting period for the survey?

The reporting period (which follows the format September 1, 20XX–August 31, 20XY) can be found on the top left side of each survey screen, under the title "NSF Noyce Annual Survey." The reporting period for the current (2011) collection cycle is September 1, 2010–August 31, 2011.

NOTE: If a Noyce scholarship/stipend is awarded over multiple periods, report only the amount awarded for the current reporting period. Additional amounts should be reported in the previous or upcoming reporting periods, as appropriate.

I'm receiving a Please Review (⚠) status icon asking me to review and/or correct data. What should I do?

The Please Review icon will not prevent you from sending your final submission to NSF. It indicates that you may have a trend error or are missing data in a field for which completion is requested (rather than required).

If possible, please update the field that contains this warning. Occasionally the Please Review icon will remain onscreen for trend-monitoring purposes even after you have updated and saved your data.

How do I find out which sections are missing data and preventing me from sending my final submission to NSF?

On the Main Menu screen, click on the **Send Authorized Final Submission to NSF** link and a list of incomplete required sections will appear.

What if I do not have required information?

If you do not have some of the required data, contact Noyce Technical Support at support@noyceweb.org before the survey deadline with the following information:

In the subject line of the message type: "Noyce Required Information"

In the body of the message include:

- Grant number
- Required information that you are unable to complete
- Reason that this information is not available

A Noyce Technical Support staff member will respond to your e-mail message.

How do I delete recipients who were carried over from previous surveys?

You cannot delete recipients who were carried over from previous surveys. NSF wants a complete historical record of all recipients involved in the Noyce award.

How do I delete recipients in this year's survey?

Click on the name of the recipient you want to delete and then click on the **Delete** button at the bottom of the screen.

NOTE: This must be done before final submission. If you want to delete a recipient after final submission, please contact Noyce Technical Support at support@noyceweb.org.

What if I do not have all the data needed to finish the survey at this time?

Enter as much information as you can for each screen. At the bottom of each screen, click on the **Save** button, then scroll to the top of each screen and click on the **Fix Later** button. This will save your data so that you can update them at a later time.

How do I request an extension?

If you need more time to complete your survey, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline with the following information:

In the subject line of the message type: "Noyce Extension Request"

In the body of the message include:

- Grant number
- Date by which you expect to complete the survey
- Reason for the extension request

A Noyce Technical Support staff member will respond to your e-mail message, indicating whether your extension has been approved by NSF.

How do I get a hardcopy of my data?

To print a copy of the data you entered, click on **Print Data Entered to Date** on the left side of the Main Menu screen. This opens the Print Preview Menu screen, where you can select all or part of the data you have entered to view and print.

A copy of your submission in spreadsheet format can also be generated by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen. This opens the Download Menu screen, where you can select data you have entered and download them to an MS Excel file.

I have feedback on the survey. Where do I enter my comments?

Click on **Add Comments/Feedback** on the left side of the Main Menu screen to submit your comments about the survey. Select the survey section that best matches the subject of your comments from the dropdown list, enter your comments in the text box, and click on the **Save** button. You may enter as many comments as you want.

I have submitted information and now am unable to change it. Why?

Once your final submission is sent to NSF, the data entry screens are converted to a read-only mode that prevents further data entry. If data need to be updated after the final submission, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline with the following information:

In the subject line of the message type: "Reset Submission Status"

In the body of the message include:

- Grant number
- Reason for the request

A Noyce Technical Support staff member will respond to your e-mail message.

For the baseline and current reporting year data on the Post-Secondary Institutions screen, should I just report participants in the Noyce program?

No. For the number of Science, Technology, Engineering, and Mathematics (STEM) majors who graduated and had prepared to become K-12 mathematics and science teachers, you may report just on those disciplines on which your award is focusing (if those are the only data available), but you should include all such majors at your institution and not just those participating in the Noyce program. For the number of STEM post-baccalaureates who completed the teacher preparation program and had prepared to become K-12 mathematics and science teachers, you should report all such post-baccalaureates at your institution and not just those participating in the Noyce program. Likewise, for the number of STEM career changers who completed the teacher preparation program and had prepared to become K-12 mathematics and science teachers, you should report all such career changers at your institution and not just those participating in the Noyce program.

What is the difference between career changers and post-baccalaureates?

Career changers (post-baccalaureates who are moving into teaching in STEM fields from another occupation) represent a subset of all post-baccalaureates. On the Post-Secondary Institutions screen, the number of STEM career changers who completed the teacher preparation program and had prepared to become K-12 mathematics and science teachers should be less than or equal to the number of STEM post-baccalaureates who completed the teacher preparation program and had prepared to become K-12 mathematics and science teachers.

What is the main distinction between a Noyce scholarship recipient and a Noyce stipend recipient?

The main distinction between a scholarship recipient and a stipend recipient for the purposes of the Noyce survey is that a scholarship recipient initially receives/uses funding as an undergraduate student (junior or senior) who does not already hold a baccalaureate, master's, or doctoral degree, and a stipend recipient initially receives/uses funding as a post-baccalaureate.

When an individual returns to an undergraduate program as a post-baccalaureate, whether because he or she holds a non-STEM degree or a degree in a STEM discipline different from the one(s) he or she plans to teach in, the individual should be reported as a stipend recipient and not as a scholarship recipient. Stipend recipients are only eligible for 1 year of support (up to the cost of 1 year of attendance).

An individual with an associate's degree would enter a 4-year institution as a junior and should be classified as a scholarship recipient.

If an individual initially receives/uses Noyce funding as an undergraduate student (junior or senior) and is reported as a scholarship recipient and continues to receive/use funding as a post-baccalaureate, should I enter a second record for this individual as a stipend recipient?

No. There should be only one record for any given individual. If a support recipient is first reported as a scholarship recipient, then he or she should remain in the system as a scholarship recipient and all support received should be recorded under this record where it is classified as "scholarship" support, regardless of whether the institution itself calls it a scholarship or a stipend.

What kind of teaching counts toward meeting the Noyce teaching requirements?

If a support recipient is certified/licensed and has full teaching responsibility (i.e., has full responsibility for a classroom and is not just co-teaching or student teaching) in a high-need school district, then this counts toward meeting his or her teaching requirements. If he or she is not certified/licensed and/or does not have full teaching responsibility, then this does not count toward meeting his or her teaching requirements.

If a support recipient is certified/licensed and is substitute teaching full time in a high-need school district while seeking a full-time regular teaching position, then this counts toward meeting his or her teaching requirements. If the recipient is only substitute teaching occasionally (e.g., a few days a week), then this does not count toward meeting his or her teaching requirements.

When should I answer Yes to the question: "Did the Noyce support recipient leave the Noyce program without completing the teacher preparation program at your institution or obtaining certification or licensure"?

Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No. If the recipient left the teacher preparation program at your institution but completed/intends to complete the program at another institution, please answer Yes. If the recipient left the Noyce program (e.g., does not want to fulfill the teaching requirements and returned the funding) but remained in your institution's teacher preparation program, please answer Yes.

Glossary

Career changer

A post-baccalaureate who is moving into teaching in the fields of science, technology, engineering, or mathematics (STEM) from another occupation

Cumulative grade point average (GPA)

The average grade earned by a student, calculated by dividing the grade points earned in all courses taken by the total number of credits taken

Disability

A physical or mental impairment that substantially limits one or more major life activities

Early field experiences

Opportunities for preservice teachers to work with K–12 students, teachers, and curriculums in K–12 schools prior to formal student teaching placements

Ethnicity

A classification indicating general ethnic heritage based on self-identification, as in data collected by the U.S. Census Bureau. These categories are in accordance with the Office of Management and Budget standard classification scheme presented below:

- **Hispanic or Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race
- **Not Hispanic or Latino:** A person whose ethnicity is not Hispanic or Latino
- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Faculty members involved in the project

Any faculty member who participated in the development and implementation of the project through activities such as serving on the leadership team, recruiting and/or selecting Noyce support recipients, teaching courses in which Noyce support recipients are enrolled (STEM courses and any other courses that are required for the teacher preparation program), and mentoring and/or monitoring Noyce support recipients

High-need school district criteria

To be considered high need, a school district must have one or more schools that meet at least one of the following criteria:

- Has a high percentage of individuals from families with incomes below the poverty line
- Has a high percentage of secondary school teachers not teaching in the content area in which the teachers were trained to teach
- Has a high teacher turnover rate

Intern

An undergraduate student (freshman or sophomore) who participated in a Noyce summer internship

Mentoring

When an individual serves as a student's counselor or advisor, especially in a direct, one-on-one setting

Peer tutoring

Individualized instruction or training given to a student by an individual of comparable academic status or rank

Post-scholarship/stipend recipient

An individual who received a Noyce scholarship or stipend prior to the current reporting period and for whom Noyce support has now ended

Post-secondary institution

An educational institution (e.g., college, university, vocational school) that serves students who have completed a secondary education (e.g., high school) or its equivalent (e.g., a GED program)

Preloaded data

Survey data from the previous year's data collection that are automatically included in the current year's survey in order to save survey respondents time and provide a historical record of the Noyce award data. Respondents should review sections with preloaded data to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Each section with preloaded data should be saved after review, regardless of whether any corrections were made.

Programmatic activities

Activities conducted by the institution (e.g., mentoring, peer tutoring) intended to maximize students' chances of successful program outcomes

Race

A classification indicating general racial or ethnic heritage based on self-identification. The following descriptions should be used:

- **American Indian or Alaska Native:** A person having origins in any of the original peoples of North or South America (including Central America), and who maintains tribal affiliation or community attachment
- **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam
- **Black or African American:** A person having origins in any of the black racial groups of Africa
- **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands
- **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa
- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Reporting period

The reporting period is from September 1 of one year through August 31 of the next year. The reporting period can be found on the top left side of each screen under the title "NSF Noyce Annual Survey."

Scholarship applicant

An individual who has applied for Noyce funding for the upcoming reporting period who will meet the definition for a scholarship recipient (see below) when he or she begins receiving the Noyce funding

Scholarship recipient

An individual who:

- First began receiving Noyce funding as an undergraduate student (junior or senior) majoring in a STEM discipline and does not already hold a baccalaureate, master's, or doctoral degree;
- Is enrolled in a teacher preparation program; and
- Has received Noyce funding during the current reporting period.

STEM

Science, technology, engineering, and mathematics

Stipend applicant

An individual who has applied for Noyce funding for the upcoming reporting period who will meet the definition for a stipend recipient (see below) when he or she begins receiving the Noyce funding

Stipend recipient

An individual who:

- First began receiving Noyce funding as a post-baccalaureate (i.e., someone already holding a baccalaureate, master's, or doctoral degree);
- Is enrolled in a teacher preparation or teacher certification program; and
- Has received Noyce funding during the current reporting period.

This includes career changers.

1 - If you answer Yes, the scholarship recipient will be moved to the Post-Scholarship Follow-Up section for the next data collection cycle. You should only answer Yes when you are certain that the recipient will not receive any additional Noyce funding in the future.

2 - Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No. If the recipient left the teacher preparation program at your institution but completed/intends to complete the program at another institution, please answer Yes. If the recipient left the Noyce program (e.g., does not want to fulfill the teaching requirements and returned the funding) but remained in your institution's teacher preparation program, please answer Yes.

3 - The Noyce program requires that funding recipients complete 2 years of service as a mathematics or science teacher in a high-need school district for every year of funding received.

For pre-2008 awards: Scholarship recipients must complete this service within 6 years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within 6 years of graduation or completion of the program for which the stipend was awarded.

For 2008 awards onward: Scholarship recipients must complete this service within 8 years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within 4 years of graduation or completion of the program for which the stipend was awarded.

Total number of years of teaching completed in a high-need school district as of the current reporting period (September 1, 2010–August 31, 2011). (You should only count complete academic years of teaching.)

-- Choose one

If More than 6 years of teaching is selected, please provide the total number of years teaching.

1 - The Noyce program requires that funding recipients complete 2 years of service as a mathematics or science teacher in a high-need school district for every year of funding received.

For pre-2008 awards: Scholarship recipients must complete this service within 6 years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within 6 years of graduation or completion of the program for which the stipend was awarded.

For 2008 awards onward: Scholarship recipients must complete this service within 8 years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within 4 years of graduation or completion of the program for which the stipend was awarded.

3 - Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No. If the recipient left the teacher preparation program at your institution but completed/intends to complete the program at another institution, please answer Yes. If the recipient left the Noyce program (e.g., does not want to fulfill the teaching requirement and returned the funding) but remained in your institution's teacher preparation program, please answer Yes.

Final Data Are Ready To Submit

You have chosen to notify NSF that your data are final. Are you sure that you are ready to finalize the data for this reporting year? After submission, NoyceWeb will display a read-only version of your data. You will be able to view your final data but not update them.

To submit your final data, click on **Send Final Submission** below. Click on **Cancel** to return to the Main Menu screen without submitting your data.

If you click on **Cancel** your data will be saved and you will still be able to add or revise data. If you are confident that you have finished reporting your data, answer the burden question below and click on **Send Final Submission**.

Approximately how many person-hours were required to complete the Noyce online survey?

I certify that all of the information that I entered in this annual survey is correct to the best of my knowledge.
