GK-12 Monitoring System Screenshots: Award Survey

Graduate STEM Fellows in K-12 Education (GK-12)

The National Science Foundation (NSF) Graduate STEM Fellows in K-12 Education (GK-12 program) is a crosscutting education initiative managed by the Division of Graduate Education in the Directorate for Education and Human Resources. The program supports fellowships and associated training that will enable graduate students and advanced undergraduates in science, technology, engineering, and mathematics disciplines to serve as resources in K-12 schools.

Survey Privacy

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the principal investigators (PIs), co-PIs, graduate fellows, cooperating teachers, or other participants.

Information from this data collection system will be retained by NSF , a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staffs, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form or data explicitly requested "for general use" will be made available to anyone outside of NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants, and in response to Public Law 99-383 and 42 USC 1885c. The Social Security number (SSN) will be maintained in accordance with the requirements of the Privacy Act of 1974. Submission of the SSN is voluntary. It is used for survey quality control, program evaluation, and matching with other data sets maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998).

Public Burden

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0226. The annual public reporting burden for this collection of information is estimated to average 15 hours per award survey, 1.6 hours per fellow survey, and 1.6 hours per cooperating teacher survey, including the time for reviewing instructions. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection 3145-0226 (GK-12 Program), National Science Foundation, 4201 Wilson Blvd., Rm. 295, Arlington, VA 22230.

Survey Tasks

▶ **PART 1: PREPARE PROFILES FOR SURVEY RELEASES**   *In Progress. Due October 21 (2 days)*

In Part 1 you are required to provide basic data about your project's participants in order to release the survey (in Part 2) to your NSF-funded graduate fellows and lead/NSF-supported cooperating teachers in a timely manner. You will complete these participant profiles in Part 3.

Please provide accurate information about institutions, schools, key project staff, graduate fellows, and cooperating teachers who participated in your GK-12 project during the current reporting period (6/01/2014 - 5/31/2015). For your convenience, participants have been preloaded from the lists your project may have submitted last year.

For each list:

1. Remove any preloaded participants that were not active during the current reporting period (6/01/2014 - 5/31/2015).
2. Add any additional participants that were active during the current reporting period (6/01/2014 - 5/31/2015).
3. You must mark each list complete before you can release the survey (in Part 2) to your NSF-funded graduate fellows and lead/NSF-supported teachers.

▬ **PIs/Co-PIs and Project Coordinators** (1)

▬ **Graduate Fellows** (1)
List all graduate fellows who participated on your project during the current reporting period. You will release the survey to your NSF-funded graduate fellows in Part 2 and complete their profiles in Part 3.

▬ **Cooperating Teachers** (2)
List all cooperating teachers who participated on your project during the current reporting period, except those who worked only with undergraduate fellows. You will release the survey to your lead/NSF-supported teachers in Part 2 and complete their profiles in Part 3.

▬ **Partnerships and Collaborations** (2)

▬ **K-12 Schools** (1)

▶ PART 2: MANAGE FELLOW AND TEACHER SURVEYS   *Not Started. Due January 5 (78 days)*

▶ PART 3: COMPLETE AWARD SURVEY   *In Progress. Due January 20 (93 days)*

▶ PART 4: VERIFICATION OF FELLOW DATA   *Not Started. Due January 20 (93 days)*

▶ PART 5: SUBMIT FINAL DATA TO NSF

Survey Tasks > Part 1: Prepare Profiles for Survey Releases > Cooperating Teachers

Part 1: Prepare Profiles for Survey Releases > Cooperating Teachers

Please update the list below to include all of the cooperating teachers who participated in your GK-12 project during the current reporting period (6/01/2014 - 5/31/2015). Be sure to:

- **Add** any new cooperating teachers
- **Remove** any cooperating teachers who did not participate during the current reporting period (6/01/2014 - 5/31/2015)

Note: Lead teachers and teachers who were supported by your project's NSF funds should be asked to participate in the online survey. You are required to report data about all cooperating teachers active for the current reporting period 6/01/2014 - 5/31/2015 regardless of whether they are lead and/or NSF-supported teachers, with the exception that you should not list cooperating teachers who worked only with undergraduate fellows. (NSF no longer collects information about undergraduate fellows associated with GK-12 projects.) These data are crucial for fellows to accurately complete their surveys and for GK-12 Program reporting purposes. You must mark all lead and/or NSF-supported teachers to indicate who should participate in the survey.

When the list includes **ALL** active cooperating teachers, check the "**Mark This List Complete**" box. After the list is marked complete, no records may be removed. You will be prompted to update other data related to your lead and NSF-supported teachers (e.g., contact information, stipend and other NSF support data) in Part 3.

(+) Add A Cooperating Teacher

Survey Tasks > Part 1: Prepare Profiles for Survey Releases > K-12 Schools

Part 1: Prepare Profiles for Survey Releases > K-12 Schools ⬤

Please update the list below to include all of the K-12 schools that participated in your GK-12 project during the current reporting period (6/01/2014 - 5/31/2015). Be sure to:

- **Add** any new K-12 Schools. Include all schools that participated on your project during the current reporting period (6/01/2014 - 5/31/2015) and all schools that served as the home home institution for any of your project's co-PIs who participated during the current reporting period (6/01/2014 - 5/31/2015).
- **Remove** any K-12 Schools that did not participate during the current reporting period (6/01/2014 - 5/31/2015)

When the list includes **ALL** the K-12 schools active during the current period, check the box that says "**Mark This List Complete**." After the list is marked complete, no records may be removed. You will be prompted to update other data related to these schools (e.g., school level, school settings, reduced lunch percentage) in Part 3.

(+) Add A K-12 School

Survey Tasks

PART 1: PREPARE PROFILES FOR SURVEY RELEASES	*In Progress.* **Due October 21** *(2 days)*

PART 2: MANAGE FELLOW AND TEACHER SURVEYS	*Not Started.* **Due January 5** *(78 days)*

Release surveys to all NSF-funded graduate fellows and all cooperating teachers you marked as lead and/or NSF-supported in Part 1 by 10/21/2015. Follow their progress and make sure they complete them by 01/05/2016.

Part 1 **must be completed** before Part 2 so that NSF-funded graduate fellows and lead/NSF-supported teachers have the required data to complete their surveys in a timely manner.

NSF-Funded Graduate Fellow Surveys		**Lead/NSF-Supported Teacher Surveys**	
YOUR PROGRESS		**YOUR PROGRESS**	
Surveys sent:	0	Surveys sent:	0
Surveys left to send:	1	Surveys left to send:	1
Total number of surveys: 1		Total number of surveys: 1	
FELLOWS' PROGRESS		**TEACHERS' PROGRESS**	
Surveys completed:	0	Surveys completed:	0
Surveys in progress:	0	Surveys in progress:	0
Surveys not started:	1	Surveys not started:	1

0% done

0% done

Part 2 will be considered complete when **100% of NSF-funded fellows** *and at least* **85% of lead/NSF-supported teachers** *have completed surveys.*

PART 3: COMPLETE AWARD SURVEY	*In Progress.* **Due January 20** *(93 days)*

PART 4: VERIFICATION OF FELLOW DATA	*Not Started.* **Due January 20** *(93 days)*

PART 5: SUBMIT FINAL DATA TO NSF

Survey Tasks > Part 2: Manage Fellow & Teacher Surveys > Graduate Fellows

Part 2: Manage NSF-Funded Graduate Fellow Surveys ⬭

You are responsible for releasing the survey to all of your NSF-funded graduate fellows. The preloaded release message will include the necessary login information for each participant. You are not able to see it as login information is sensitive.

Each of the NSF-funded graduate fellows that you listed in Part 1 are shown below. Through this screen please:

- **Send the survey** to every NSF-funded graduate fellow in the list by 10/21/2015
- **Monitor NSF-funded graduate fellows' progress** to ensure that their surveys are completed by 01/05/2016
- **Send E-mail** reminders through the system, if you choose to.
- Update NSF-funded graduate fellow profiles, if you choose to. You can also make any updates in Part 3.

Please return to Part 1: Prepare Profiles for Survey Releases > Graduate Fellows in order to add other graduate fellows. However, you will no longer be able to delete fellows. If you have questions, please contact Technical Support.

FROM:	support@gk12survey.org
SUBJECT:	NSF GK-12 Online Data Collection System
BODY:	I am pleased to announce that the National Science Foundation (NSF) Graduate STEM Fellows in K-12 Education (GK-12) Program online data collection system is now open for the June 1, 2014 - May 31, 2015 reporting period. Your login user name is provided below.

Please login into the GK-12 Data Collection System no later than November 19, 2015. The completed survey is due no later than January 5, 2016.

In order to ensure that NSF has the most comprehensive picture of your GK-12 participation, it is important that all checkboxes and text boxes in the survey are completed with accurate information. All necessary information is expected to be provided by the final deadline of January 5, 2016, since |

Part 3: Complete Award Survey - Complete Cooperating K-12 Teacher Profile

Enter information about your cooperating teacher in the spaces below. Asterisks indicate required fields; you must complete them in order to submit your data. If you do not have the cooperating teacher's phone number and his or her role is active, enter "999-999-9999." We will follow up with all award sites that have missing information

Note: Cooperating teachers who were supported by you project's NSF funds should be asked to participate in the 2015 online survey. You are required to report data about all cooperating teachers active for the current reporting period (6/01/2014 - 5/31/2015) regardless of whether they are lead and/or NSF-supported teachers. These data are crucial for fellows to accurately complete their surveys and for GK-12 Program reporting purposes. You must mark all lead and/or NSF-supported teachers to indicate who should participate in the Lead/NSF-Supported Teacher Survey.

Part 3: Complete Award Survey - Academic Achievements Related to GK-12 Activities and Themes ▭

Provide information on any academic achievements resulting from your GK-12 program to which you (the lead PI) or any other personnel or fellows (co-PI, fellows, teachers) associated with your GK-12 program contributed during the June 1, 2014 - May 31, 2015 reporting period. In addition, you can add other general academic achievements.

Asterisks indicate required fields; you must complete them in order to submit your data. We will follow up with all award sites that have missing information. Please be sure to include only new achievements and products not previously reported in earlier reporting cycles.

Use any standard citation format such as APA with the following adjustment:

- **Use asterisks (*) before authors' names to denote fellows who participated in your GK-12 project at any time and who are/were fully or partially funded by the NSF-GK-12 program during their participation on your project.**
- **Use plus signs (+) before authors' names to denote cooperating teachers who participated in your GK-12 project at any time.**

Examples:

- Homer, N., *Szelinger, S., Redman, M., +Duggan, D., Tembe, W., et al. (2008) Resolving Individuals Contributing Trace Amounts of DNA to Highly Complex Mixtures Using High-Density SNP Genotyping Microarrays. PLoS Genet 4(8): e1000167. doi:10.1371/journal.pgen.1000167.
- +Pedreschi, D., *Bonchi, F., Turini, F., Verykios, V. S., Atzori, M., Malin, B., & *Moelans, B. (2008). Privacy Protection: Regulations and Technologies, Opportunities and Threats in Mobility, Data Mining and Privacy: Geographic Knowledge Discovery (chap.4). Berlin, Heidelberg: Springer-Verlag

When the list includes **ALL** academic achievements during the current period, check the "**Mark This List Complete**" box.

Survey Tasks > Part 3: Complete Award Survey > Describe Development Activities

Part 3: Complete Award Survey - Describe Development Activities

Enter information about the development activities associated with the GK-12 project during the current reporting period (June 1, 2014 - May 31, 2015). For help with unfamiliar terms, consult the glossary.

Identify those professional development activities associated with your GK-12 project during the reporting period (June 1, 2014 - May 31, 2015). The first part looks at participation of the majority of GK-12 fellows; the second part looks at participation by teachers associated with the GK-12 award. Because some of these activities were ongoing, throughout the entire reporting period, while others were limited to summer institutes, we ask that you indicate when these professional development activities occurred.

Fellows' development activities (mark one frequency for each activity that applies to your project's fellows)

ACTIVITY	SUMMER	WEEKLY	BIMONTHLY	MONTHLY	OTHER
Fellows took coursework/training (e.g., new courses, seminars) that included regular critique of and feedback on communication skills.	☐	☐	☐	☐	
Fellows received training in collaboration and team building.	☐	☐	☐	☐	
Fellows received training in developing leadership skills.	☐	☐	☐	☐	
Fellows received training in pedagogy (i.e., science of teaching, education, and instructional methods).	☐	☐	☐	☐	
Fellows received training dealing with effective time and task management.	☐	☐	☐	☐	
Fellows received other training (please specify):	☐	☐	☐	☐	

Fellows' other development activities (mark all that apply)

	ACTIVITY
☐	Fellows participated with teachers in content and pedagogy sessions related to developing GK-12 activities.
☐	Fellows developed multimedia materials or other cyber-enabled tools to communicate to external audiences.
☐	Fellows developed and presented course and/or curriculum materials.
☐	Fellows served as a mentor to others (e.g., graduate students, undergraduates, laboratory technicians).
☐	Fellows authored/coauthored and submitted grant proposals.
☐	Fellows had professional interactions other than internships with non-academic employers (e.g., industry, government) in order to learn about carrier opportunities and requirements.
☐	Fellows communicated, worked, or collaborated with scientists of other nationalities.
☐	Fellows made presentations to non-academic public.
☐	Fellows received other preparation in professional skills development (please specify):

Cooperating Teachers development activities (mark all that apply)

ACTIVITY	SUMMER	YEARLONG
Teachers and fellows participated in content and pedagogy training related to developing GK-12 activities.	☐	☐
Teachers participated with fellows in training that stressed team work.	☐	☐
Teachers received training in effective mentoring skills .	☐	☐
Teachers participated in coursework/training sessions that helped increase their science content knowledge.	☐	☐
Teachers participated as team members engaged in joint research and educational efforts.	☐	☐
Teachers made presentations at academic/scientific professional conferences or meetings.	☐	☐
Teachers participated in the development of multimedia materials, Web sites, or other cyber-enabled tools for teaching/learning.	☐	☐
Teachers participated in training in authoring, submitting, or publishing professional papers.	☐	☐
Teachers had other preparation in professional skills development (please specify):	☐	☐

Survey Tasks > Part 3: Complete Award Survey > Report International Experience

Part 3: Complete Award Survey - Report International Experience

Please provide information below about international experience associated with the GK-12 project for the current reporting period. Asterisks indicate required fields; you must complete them in order to submit your data. For help with unfamiliar terms, consult the glossary.

☐ **Mark the checkbox if your project did not participate in an international experience and skip the other questions in this section.**

*What country or countries did you visit as part of the GK-12 international experience?

| Afghanistan |
| Albania |
| Algeria |
| American Samoa |
| Andorra |

To de-select a country, hold down CTRL and click the selection.

*How many of your graduate fellows engaged in an international experience through the GK-12 project during this reporting period?

[   ]

*How many of your teachers engaged in an international experience through the GK-12 project during this reporting period?

[   ]

Identify the following international activities involving GK-12 fellows: (mark all that apply)

☐ Fellow(s) worked in a university and conducted research overseas.

☐ Fellow(s) worked as a team with teachers and students overseas.

☐ Fellow(s) worked with their teachers overseas.

☐ Fellow(s) attended conferences/workshops.

Other international activities (please specify):

[   ]

Identify the following international activities involving GK-12 teachers: (mark all that apply)

☐ Teacher(s) worked as a team with their fellow in similar to GK-12 activities with international teachers and students.

☐ Teacher(s) attended conferences/workshops.

☐ Teacher(s) took coursework/training.

☐ Teacher(s) worked or conducted research/field work with their fellow.

Other international activities (please specify):

[   ]

Identify the opportunities for PIs and co-PIs that resulted from the international experiences associated with the GK-12 project. (mark all that apply)

☐ Developed new collaborations.

☐ Developed new access to facilities/skills.

☐ Developed new opportunities for research/education/training.

Other (please specify):

[   ]

Do you plan to maintain the collaborations developed from the international experiences?

○ Yes ○ No

Please specify why your project does or does not plan to maintain collaborations developed from the international experiences.
(Please limit responses to no less than 150 words and no more than 200 words.)

[   ]
0 words entered

Briefly identify up to three research or educational achievements resulting from the international component of the GK-12 award. Each achievement may involve a single fellow or a group of fellows.
(Please limit responses to no less than 150 words and no more than 200 words.)

Survey Tasks > Part 3: Complete Award Survey > Report Program Impact

Part 3: Complete Award Survey - Report Program Impact

A feature of **GK-12** is to have a program strategy and plan for recruiting, mentoring, retaining, and graduating graduate students, including efforts aimed at **members of groups underrepresented** in science and engineering. With these goals in mind, please respond to the following questions for this reporting period. Asterisks indicate required fields; these fields must be completed in order to submit your data. For help with unfamiliar terms, consult the glossary.

Overall Plan

*Do you have an overall plan in place and active with a specific set of goals and timelines for recruitment and retention of GK-12 fellows including specifics for broadening participation of groups underrepresented in science and engineering?

　○ Yes　○ No

Best Practices

Regardless of your response to the previous question, please describe up to three of the best practices you employed to recruit qualified fellows to your GK-12 program during this reporting period.

*Best Practice 1:

(Please limit responses to no more than 150 words.)
0 words entered

Best Practice 2:

(Please limit responses to no more than 150 words.)
0 words entered

Best Practice 3:

(Please limit responses to no more than 150 words.)
0 words entered

Recruiting Fellows

Please describe the extent to which each of the following practices has been productive for recruiting fellows overall to your GK-12 program during this reporting period.

PRACTICE	PRODUCTIVE	SOMEWHAT PRODUCTIVE	NOT PRODUCTIVE	N/A
*Relationships with NSF programs that can provide an undergraduate pool of potential GK-12 fellows (e.g., REU's NSF Centers)	○	○	○	○
*Use of recruiting resources on the GK-12 campus (e.g., career service office, graduate studies office)	○	○	○	○
*Relationships with faculty and programs at other academic institutions	○	○	○	○
*Collaboration with other NSF funded programs to improve recruitment	○	○	○	○
*Use of professional meetings, conferences, associations to communicate, research, and market to potential GK-12 Fellows	○	○	○	○
Other (please specify):	○	○	○	○

Clear Selections

Recruiting Underrepresented Minority and Women Fellows

Please describe the extent to which each of the following practices has been productive for recruiting underrepresented minority and women fellows overall to your GK-12 program during this reporting period.

PRACTICE	UNDERREPRESENTED MINORITIES				WOMEN			
	PRODUCTIVE	SOMEWHAT PRODUCTIVE	NOT PRODUCTIVE	NOT APPLICABLE	PRODUCTIVE	SOMEWHAT PRODUCTIVE	NOT PRODUCTIVE	NOT APPLICABLE
*Relationships with NSF programs that specifically focus on broadening participation of women or underrepresented minorities in STEM (e.g., LSAMP, AGEP, TCUP, ADVANCE)	○	○	○	○	○	○	○	○
*Use of resources on the campus (e.g., academic development programs, offices for campus diversity, or minority and women's student groups)	○	○	○	○	○	○	○	○
*Interaction with professional associations, organizations or committees serving women or underrepresented minority communities (e.g., National Action Council for Minorities in Engineering, Society of Women Engineers, committees in professional societies focused on minority communities and women)	○	○	○	○	○	○	○	○

Survey Tasks > Part 4: Verify NSF-Funded Fellows' Interactions with K-12 Students

Part 4: Verify NSF-Funded Fellows' Interactions with K-12 Students

Fellows' interactions with K-12 students are currently categorized into two categories:

- **In-classroom GK-12 activities** are part or whole of a fellow's regular assignment that occur inside the classrooms and during normal school hours.
- **Out-of-classroom GK-12 activities** are part or whole of a fellow's regular assignments that occur outside the classrooms such as schoolyard activities, field trips, after school science clubs, regular GK-12 assignments in informal educational settings like a science center or museum, working in science fairs, regular community outreach, visits to universities, laboratories, etc.

Notes:

- Please make your final selections based on the NSF-funded fellows who worked in each classroom or on each out-of-classroom activity. Your NSF-funded fellows reported whether they worked with other GK-12 graduate fellows without regard to their funding sources.
- Click on **[Edit]** to edit information about an individual class or out-of-classroom activity.
- Click on a column header of any table to sort data in ascending or descending alphabetical order.
- Orange wording in the Multiple NSF-Fellows column occurs when the number of fellows noted does not match the data in the Multiple NSF-Fellows column. The Multiple NSF-Fellows indicators are provided to help you quickly determine whether fellow-submitted interactions may be incomplete or duplicates because fellows report only their own interactions and NSF relies on you to combine classes and activities involving multiple NSF-funded fellows. Once the classes and activities are combined properly, the orange wording will be turned off. However, because the Multiple NSF-Fellows indicators are provided only for your assistance, they do not affect overall reporting of the out-of-classroom activity data, i.e. any that remain orange will not interfere with submitting your survey.

Verify the in-classroom locations, as submitted by your NSF-funded fellows.

(+) Add A Class

SCHOOL	CLASS	SUBJECT(S)	GK-12 TEACHER(S)	NSF-FUNDED FELLOW(S)	MULTIPLE NSF-FUNDED FELLOWS?	GRADE(S)	# STUDENTS	REMOVE
Sronrevog High	Test (Test) [Edit]	Science - General	Joanna Test	Elizabeth Test	No	4	15	☐

For your reference for updating the activities as originally submitted by your project's fellows, please review the following data that your project's lead teachers submitted regarding fellow-teacher-student interactions.

TEACHER	FELLOW(S)	SUBJECT(S)	# MALE STUDENTS	# FEMALE STUDENTS	# UNDERREPRESENTED MINORITY STUDENTS
Joanna Test	Elizabeth Test	Mathematics - Elementary	5	5	5

Verify the out-of-classroom activities, as submitted by your NSF-funded fellows.

To minimize double-counting of teachers and students, please combine activities of the same activity type when possible. To assist you, your NSF-funded fellows were instructed to combine activities of the same type that involved the same fellows, teachers, and students. For example, if John Smith took the same teachers and students on a field trip to the Bronx Zoo and on a separate field trip to Central Park, he was encouraged to add a single activity and provide a name such as "Field trips to the zoo and park." Similarly, if Mary Jones and John Smith worked together to conduct a water-sampling activity at five schools, the fellows were instructed to enter these events as a single activity. For your data entry, you would combine their two activities into a single activity, listing both NSF-funded fellows. Please delete all activities that no longer apply after they have been combined with another activity.

(+) Add An Activity

ACTIVITY TYPE	ACTIVITY NAME	NSF FUNDED FELLOWS	MULTIPLE NSF-FUNDED FELLOWS?	SCHOOL(S)/ ORGANIZATION(S)	FREQUENCY	# TEACHERS	# STUDENTS	REMOVE
After school science club	Test Name [Edit]	Elizabeth Test	No	Sronrevog High	Monthly	1	5	☐

Are these data complete?

Verify the in-classroom locations, as submitted by your fellows. Also verify the teachers with whom fellows worked at those locations.

Class data entered so far accounts for:

1 Fellow (of 1)	1 Teacher (of 2)	15 Students
1 School Sronrevog High	1 Class 1 Science - General	1 Grade Level 4th Grade

In addition to the classroom data, verify all out-of-class and / or out-of-school locations above.

Please do not mark this list complete unless all of your project's fellows have completed their surveys.

☐ **Mark this list complete.** It includes **all** classes and students served by our GK 12 project between June 1, 2014 - May 31, 2015. I have confirmed that Fellows are assigned to the correct classes, and each class is only listed once.

Edit Out-Of-Classroom Activity

You may edit information below about the out-of-class activity your fellows selected during the current reporting period. **All fields are required unless otherwise indicated.**

*NSF-funded fellow(s) of this out-of-classroom activity:
☑ Test, Elizabeth (support@gk12survey.org)

*Activity Type (select one)   [After school science club ▼]

Other Activity Type   [   ]

Activity name   [Test Name]

*Schools and organizations your fellow(s) worked with as part of their GK-12 participation in this out-of-classroom activity with K-12 students (select all that apply):

☑ Sronrevog High, Arlington, Virginia
☐ American Samoa Community College, Pago Pago
☐ Starbase_test

Other Organizations associated with this activity that are not partners in of your GK-12 project.
[   ]

*Frequency with which your fellow(s) participated in this activity (select one)   [Monthly ▼]

*Number of teachers your fellow(s) worked with as part of this out-of-classroom GK-12 activity: [1]

*Number of K-12 students your fellow(s) worked with as part of this out-of-classroom GK-12 activity: [5]

*Did multiple NSF-funded fellows work together on this out-of-classroom activity?   ○ Yes ⦿ No

Part 4: Submit Final Data to NSF

Please complete the questions below before submitting. To review award data before final submitting, please click on the Print My Data button on the left hand navigation menu.

This award has entered data for 1 NSF-Funded Fellows. Funded fellows should match your project's NSF Continuing Grant Increment.

If the number of NSF-funded fellows is correct, please proceed with your final submission. Otherwise, click on "Review Graduate Fellows" to open the Part 3: Complete Participant Profiles, where you can correct the funding data for any fellows. If you need adjust the fellow population, use Part 1 to add additional fellows and/or contact Technical Support to remove any fellows from the list."

Review Graduate Fellows

Approximately how many person hours were required to complete the GK-12 online survey (rounded to nearest hour)? (Please note that you should only include time for completing the award-level survey. Fellows and teachers report burden individually.)   ▢

Check the box to confirm your intention to final submit your award data.   ☐

Please complete the questions below before submitting. To review award data before final submitting, please click on the Print My Data button on the left hand navigation menu.

Award status has been saved.

You have successfully final submitted your award.

If you did not intend to final submit your data, you have 47 hours, 59 minutes, and 59 seconds to reset the award information using the form below this message. Resetting the award will unlock your data submission and allow you to continue entering data into the GK-12 system. To reset your award information:

- Delete the number of hours it took you to enter data into the system from the "person hours" entry field.
- Uncheck the "mark current Award for submission" box.
- Click on the **Submit Award** button. This will unlock your data submission and allow you to continue entering data.

Approximately how many person hours were required to complete the GK-12 online survey (rounded to nearest hour)? (Please note that you should only include time for completing the award-level survey. Fellows and teachers report burden individually.)	2
