Screenshot #1: Domestic Order Entry Form (Product Selection)

The screenshot displays the USDA Web-Based Supply Chain Management (WBSCM) interface. At the top, the USDA logo and "United States Department of Agriculture" are visible, along with the text "Web-Based Supply Chain Management" and "Welcome Ms. Natalie Lee". A navigation bar includes links for Home, Operations, Admin, Reports, and Help. Below this, there are links for Order Processing, Complaint Administration, and Recall Administration. The main header indicates the current page is "Domestic Order Entry" with "Back" and "Forward" options.

The main content area is titled "Entitlement" and shows a list of products. On the left, there is a "Product Catalog" sidebar with a search bar and a tree view of product categories. The tree view includes categories like CSFP, TEFAP, NSLP, CACFP, SFSP, and various processing and delivery options. The "Entitlement" section is currently selected.

The product list table is as follows:
