PAPERWORK REDUCTION ACT NOTICE: Collection of information through dealer trade reports is mandatory for the purpose of managing highly migratory species (HMS) fisheries. The data are used to monitor trade of HMS. Reporting burden for the collection of information is estimated to average 15 minutes per completed form, including time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the information. Send comments regarding this burden estimate or suggestions for reducing this burden to: NMFS, Highly Migratory Species Division, 1315 East-West Highway, Silver Spring, MD 20910. Pursuant to Section 402(b) of the Magnuson-Stevens Act, and consistent with NOAA Administrative Order 216-100 (Confidentiality of Fisheries Statistics), the Agency does not release confidential information submitted in compliance with provisions of the Act, other than in aggregate form and under circumstances required or authorized by law. Whenever data are requested or released to the general public, the Agency ensures that information on the pecuniary business activity of a dealer is not identified. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
