1.

The screenshot displays the Adobe Connect interface during a meeting. The main content area shows a slide titled "Polling Question 1" with a form approval notice: "Form Approved OMB No. 0920-XXXX Exp. Date xx/xx/20xx". Below the title is a blue bar and a paragraph of text: "CDC estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX)." A "Start My Webcam" button is visible in the video panel.

The interface includes a top menu bar with "Meeting", "Layouts", "Pods", "Audio", and "Help". A right sidebar contains "Sharing", "Discussion", and "Collabo...". A bottom panel shows the poll results for the question: "How familiar are you with the CDC's 'Planning and Implementing Screening and Bri...".
