Awardee:	
Award Number:	

Instructions: Using the template provided below, verify start and end dates, select progress status, and describe progress during **Year 4** toward objectives and activities submitted in your Year 4 continuation application. You may choose to modify activities for standardized objectives or your state objectives based on the information you provided in your Year 4 Continuation Application and more current information to better reflect Year 4 activities. Indicate any changes made to progress report objectives and activities in the related “Progress Description” field and provide a brief justification for the change(s).

Definitions:

- **Objective** = Specific statements about how to achieve a goal
- **Measurement** = Description of how all activities specific to the objective will be monitored
- **Activity** = Specific steps/tasks needed to accomplish objectives
- **Start date** = Date an activity will begin
- **End date** = Projected completion date for an activity
- **Progress status:**
 - Not started = Activity is not yet started
 - Redirected = Activity redirected to next funding year
 - Planning = Planning the implementation and evaluation of the activity
 - Ongoing/Implementation = Activity is ongoing and/or being implemented and evaluated
 - Complete = Completed implementation and evaluation of the activity
 - n/a = Not applicable

Public reporting burden of this collection of information is estimated to average 73 hours for the initial population of the tool, and 58 hours for annual reporting for awardees funded for 1 enhanced component. For respondents funded for 2 enhanced components the average is estimated at 146 hours for the initial population of the tool, and 116 hours for annual reporting. The response includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

- **Description of Progress** = Brief but sufficient description of the level of progress achieved for the activity during the reporting period must be entered (do not just refer to attachments). Please include activity successes for all activities and barriers to progress for activities “not started” or “redirected.”

Regional Network Leader (RNL)

Goal 1: Provide structured assistance to states within the designated regions to build capacity, share best practices, and increase state injury and violence prevention capacity across the network.
