Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Section B: To be completed by the Nurse

Thank you for participating in this study. I will be conducting your interview today and it will last about 10 minutes. I ask all participants in this study the same questions. All of your answers are confidential. I will mark a response to every question, but if you are not comfortable answering any question, you can tell me to mark “no answer”. You can also ask me to go back, or repeat any questions. Are you comfortable proceeding with the interview now?

Now, I would like to ask you a few questions about the time since we last saw you.
