

Post-Sabbatical Survey-1 Year Followup

Please take a few minutes to complete the survey below, which invites you to retrospectively evaluate the NIH Sabbatical in Clinical Research Management. OMB # 0925-0602. Expires 8/31/2012.

Through this survey, the NIH Office of Clinical Research Training and Medical Education (OCRTME) seeks to (a) identify opportunities that will enhance the clinical research training we provide and (b) stay better connected with you and other participants.

Please note that the information you share with us will only be accessible to authorized OCRTME staff. When reported external to the office as part of our quality improvement process, all feedback will be anonymous and reported in the aggregate.

Thank you for helping us to improve and stay connected.

Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 20 minutes per survey, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0602).
