Post-Sabbatical Survey-1 Year Followup
Please take a few minutes to complete the survey below, which invites you to retrospectively evaluate the NIH Sabbatical in Clinical Research Management. OMB # 0925-0602. Expires 03/31/2016.
Through this survey, the NIH Office of Clinical Research Training and Medical Education (OCRTME) seeks to (a) identify opportunities that will enhance the clinical research training we provide and (b) stay better connected with you and other participants.
Please note that the information you share with us will only be accessible to authorized OCRTME staff. When reported external to the office as part of our quality improvement process, all feedback will be anonymous and reported in the aggregate.
Thank you for helping us to improve and stay connected.
Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 20 minutes per survey, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0602). Do not return the completed form to this address.

Ph.D. Student Summer Course in Clinical and Translational Research: 1-Year Follow-up

Please take a few minutes to complete the survey below, which invites you to retrospectively evaluate the PhD Student Summer Course at the NIH Clinical Center. OMB # 0925-0602. Expires 03/31/2016.

PURPOSE OF SURVEY:
Through this survey, the NIH Office of Clinical Research Training and Medical Education (OCRTME) seeks to (a) identify opportunities that will enhance the clinical research training we provide and (b) stay better connected with you and other participants.

Please note that the information you share with us will only be accessible to authorized OCRTME staff. When reported external to the office as part of our quality improvement process, all feedback will be anonymous and reported in the aggregate.

BURDEN DISCLOSURE STATEMENT:
Public reporting burden for this collection of information is estimated to average 20 minutes per survey, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0602). Do not return the completed form to this address.

PRIVACY ACT NOTIFICATION STATEMENT:
This is not a government website or application. The agency's Privacy Policy does not apply. The agency's Privacy Policy is located at http://www.nih.gov/about/privacy.htm
This website is operated by a third party to engage with the public on behalf of the National Institutes of Health (NIH) Office of Clinical Research Training & Medical Education. Collection of this information is authorized under 42 U.S.C. 282(b) (13), 284(b)(1)(C), 241, 242l, 282(b)(10), 284(b)(1)(K), 42 CFR Part 63, and 42 CFR Part 61, Subpart A. The primary use of this information is for evaluation of clinical and research training at the National Institutes of Health. The personally identifiable information collected via the SurveyMonkey website is used and maintained by NIH. Information is not shared with external parties. Additional disclosures may be made to law enforcement agencies concerning violations of law or regulation. Information provided is voluntary; however, in order for us to complete the evaluation process, you must complete the required fields.

Information about clinical and research training is available on the NIH website at http://www.cc.nih.gov/training/ Questions pertaining to information collected from this website may be sent to mailto:cc-od-ocrtme@mail.nih.gov

Please take a few minutes to complete the survey below. OMB # 0925-0602. Expires 03/31/2016.

Through this survey, the NIH Office of Clinical Research Training and Medical Education (OCRTME) seeks to (a) identify opportunities that will enhance the clinical research training we provide and (xx/xx/xxx)nnected with you and other participants.

Please note that the information you share with us will only be accessible to authorized OCRTME staff. When reported external to the office as part of our quality improvement process, all feedback will be anonymous and reported in the aggregate.

Thank you for helping us to improve and stay connected.

Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 20 minutes per survey, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0602). Do not return the completed form to this address.

Privacy Act Notification Statement: This is not a government website or application. The agency's Privacy Policy does not apply. The agency's Privacy Policy is located at http://www.nih.gov/about/privacy.htm
This website is operated by a third party to engage with the public on behalf of the National Institutes of Health (NIH) Office of Clinical Research Training & Medical Education. Collection of this information is authorized under 42 U.S.C. 282(b) (13), 284(b)(1)(C), 241, 242l, 282(b)(10), 284(b)(1)(K), 42 CFR Part 63, and 42 CFR Part 61, Subpart A. The primary use of this information is for evaluation of clinical and research training at the National Institutes of Health. The personally identifiable information collected via the SurveyMonkey website is used and maintained by NIH. Information is not shared with external parties. Additional disclosures may be made to law enforcement agencies concerning violations of law or regulation. Information provided is voluntary; however, in order for us to complete the evaluation process, you must complete the required fields.

Information about clinical and research training is available on the NIH website at http://www.cc.nih.gov/training/ Questions pertaining to information collected from this website may be sent to mailto:cc-od-ocrtme@mail.nih.gov
