

**Justification for a Nonsubstantive Change
Healthy Indiana Program (HIP) 2.0 Beneficiaries Survey
CMS-10615, OMB 0938-1300**

In line with the Terms of Clearance that were set out in OMB's March 21, 2016, Notice of Action, this iteration requests approval of our final briefing scripts. No other changes have been made to the ICR. The final briefing scripts are being added to replace the draft scripts which were attached to the initial iteration of the emergency information collection request.
