SHOP Marketplace – Employee Enrollment Application

In most states, the SHOP Marketplace is open to employers with 1-50 full-time equivalent (FTE) employees, though small employers with 1-100 FTEs can participate in the SHOP Marketplace in California, Colorado, New York, Vermont and Virginia. If you already have SHOP Marketplace coverage through your employer, you'll need to visit HealthCare.gov to [renew or change your coverage](#). Learn more about renewing your SHOP Marketplace coverage at [marketplace.cms.gov/outreach-and-education/shop-marketplace-coverage-renewal-user-guide](#).

If your employer is in one of these states, use this document to guide you through the process of responding to your employer's SHOP Marketplace coverage offer on HealthCare.gov.

Alabama	Nevada
Alaska	New Hampshire
Arizona	New Jersey
Delaware	North Carolina
Florida	North Dakota
Georgia	Ohio
Illinois	Oklahoma
Indiana	Pennsylvania
Iowa	South Carolina
Kansas	South Dakota
Louisiana	Tennessee
Maine	Texas
Michigan	Virginia
Missouri	West Virginia
Montana	Wisconsin
Nebraska	Wyoming

If your employer is in a state that's not listed above, that means the state is running its own SHOP Marketplace. You'll need to follow your state's application process. To find your state's SHOP Marketplace, visit [HealthCare.gov/small-businesses/employees](#) and select your state from the drop down menu, or contact the SHOP Call Center at 1-800-706-7893. TTY users should call 711 to reach a call center representative.

You can work with your employer's authorized agent or broker to help you complete the SHOP Marketplace employee application.

IMPORTANT: You can save your information at any point in the application and return later to complete it. The system will time out after 30 minutes of inactivity.

Create a HealthCare.gov account

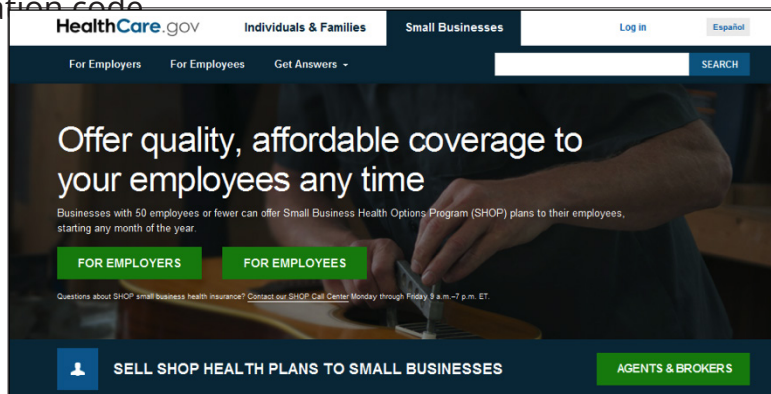

If your employer is offering coverage through the SHOP Marketplace, you'll get a notice with a participation code. You'll use this information to view your employer's coverage offer. Before you view the coverage offer, you must create an account on [HealthCare.gov](https://www.healthcare.gov).

Select your state. Visit the small business employee's page on [HealthCare.gov/small-businesses](https://www.healthcare.gov/small-businesses) and select the state where your employer's primary business address is located. Then select **SEE HOW TO ACCEPT OR DECLINE**.

- Select **"If you don't have a HealthCare.gov account, create one"** if you've never set up an account.
- Select **"If you already have an account, just log in"** if you have an account you created previously to apply for individual and family coverage. Don't create a different account for your small business employee actions.

Note: You'll need your Social Security Number (SSN) and your SHOP participation or "unique" code to create an account and enroll.

If you think your employer is offering SHOP coverage and you haven't gotten a notice with your participation code, contact your employer, not the SHOP Marketplace. Your employer can provide your participation code.

- **Answer a few questions.** On the **Create an account** page, you'll enter your first and last name, email address, and preferred password.

Next you'll answer a few security questions. These questions will be helpful in case you forget your username and/or password and have trouble logging in.

- Select the box about news and updates if you want us to email information to you.
- Check the box stating that you understand and agree with HealthCare.gov's privacy policy and select **CREATE ACCOUNT**.

Note: When you create your account, the information you provide is case sensitive. Remember to enter the information the same way when you log in.

The screenshot shows the 'Create an account' page on HealthCare.gov. At the top, there are navigation links for 'Individuals & Families' and 'Small Businesses', along with 'Log in' and 'Español' options. The main heading is 'Create an account' with a sub-heading 'Create an account to apply for and manage your Marketplace coverage.' Below this, there is a note: 'If you already have an account, [log in](#). Don't create another account. [Get help if you're having trouble logging into your account.](#)'

The form fields are as follows:

- First name (text input)
- Last name (text input)
- Your email address will also be your username when you log in. (text input)
- Email address (text input)
- I want to have news and updates sent to this email address. (optional)
- Use: 8-20 characters Upper & lowercase letters Number(s)
- Password (text input)
- Retype password (text input)

Below the password fields, there is a note: 'We need you to pick a few questions that only you'll be able to answer. If you ever forget your password, we'll ask you these questions to verify your identity.'

There are three security question sets, each consisting of a dropdown menu for 'Pick a question' and a text input for 'Answer'.

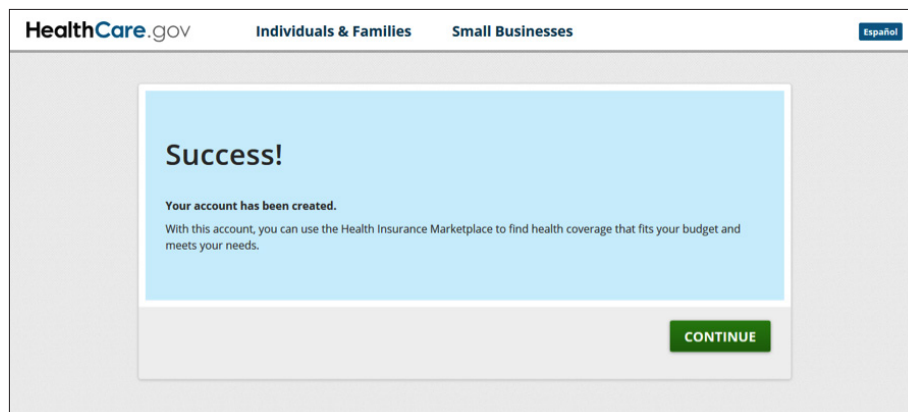

At the bottom, there is a checkbox: I understand and agree with the HealthCare.gov [privacy policy](#).

At the very bottom, there are two buttons: a green 'CREATE ACCOUNT' button and a blue 'I ALREADY HAVE AN ACCOUNT' button.

- **Verify your email address.** You must verify that the email address you gave for the account is correct. You'll get an email with a link that's unique to you. Select the link and follow the instructions on the screen. **Note:** If you don't see the verification email in your inbox, check your junk mail.

- After you finish verifying your email address, you'll see a page with "Success!" letting you know that your account has been created. Select **Continue** to create your profile and verify your identity.

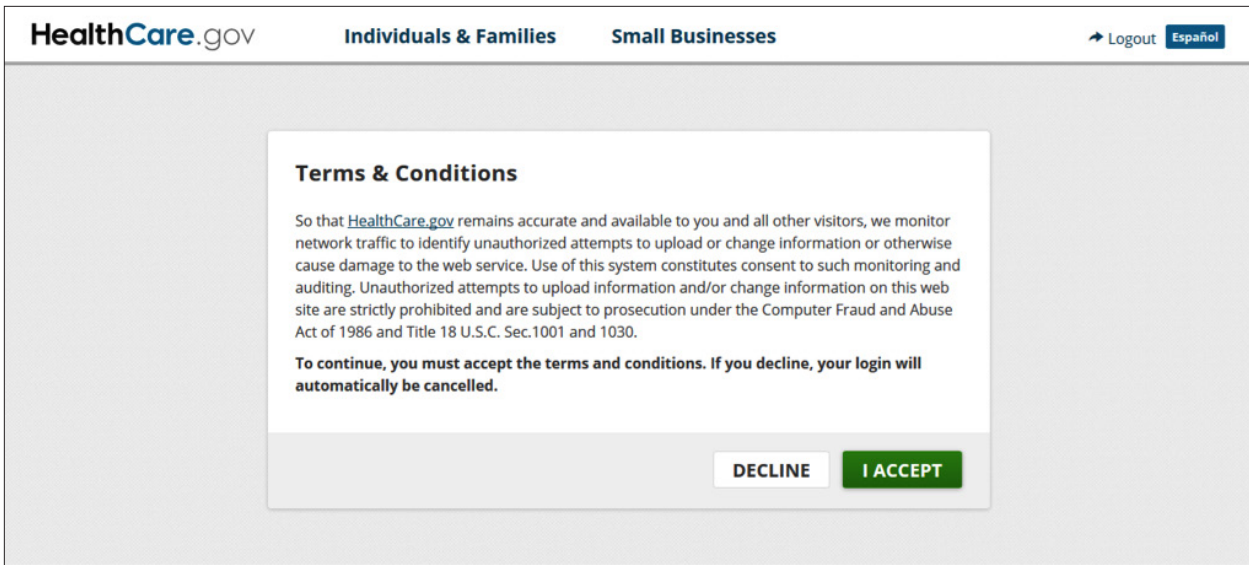

- **Note:** If you don't verify your email address within 48 hours of getting the email, the link in the email will expire. You'll need to get another verification email before you try to log into your account.
- If you try to log into your account without verifying your email address, you'll get an expiration notice. Select **Resend Verification Email** and follow the steps on the previous page to verify your email address.

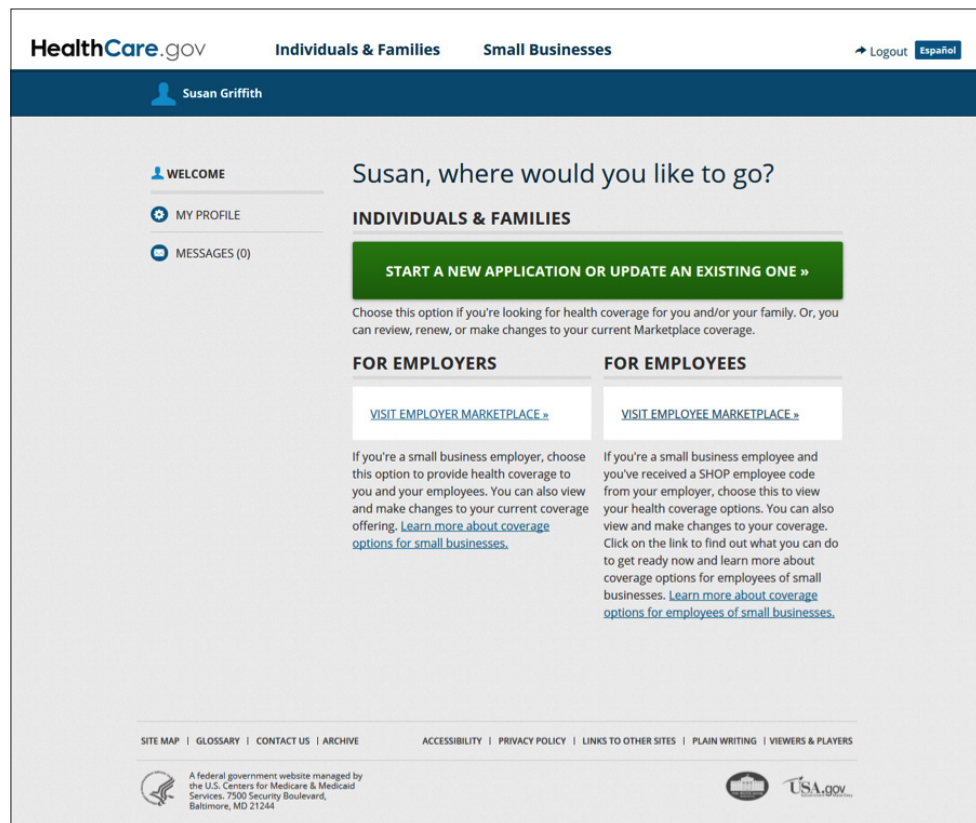

Confirm eligibility

- **Log into your HealthCare.gov account.** Enter your new username and password, select **LOG IN**, then select **I ACCEPT** on the **Terms & Conditions** page.

The screenshot shows the HealthCare.gov login interface. At the top, there is a navigation bar with 'HealthCare.gov', 'Individuals & Families', 'Small Businesses', and a 'Español' button. The main heading is 'Log in'. Below the heading, a note states 'All fields are required unless they're marked optional.' There are two input fields: 'Username' with a 'Forgot your username?' link, and 'Password' with a 'Forgot your password?' link. A prominent green 'LOG IN' button is centered below the fields. Underneath the button, there is a link: 'Don't have an account? [Create one now.](#)' Below this is an 'Important' section with the text: 'Your username may be your email address. If you'd like to apply or enroll over the phone, [give us a call.](#)' and a link: '[See tips for remembering your username and password.](#)' At the bottom is a 'Note' section: 'If you're using a shared computer or a computer in a public place, like a library or community center, don't forget to close all browser windows and tabs and log out when you're done. This will help keep your information secure.'

- **Select the employee application.** On the **WELCOME** page, select **VISIT EMPLOYEE MARKETPLACE**.

- **Enter the SHOP participation code.** On the **My employer** page, enter the participation code that was emailed to you, or your employer gave to you, and your Social Security Number (SSN). You should do this even if you don't want coverage now. Select **VERIFY**.

Review and select plan(s)

Health plans are put into 4 categories (Bronze, Silver, Gold, and Platinum) based on how you and the plan can expect to share the costs for health care. The health plan category your employer chooses determines what you'll pay for things like deductibles and copayments, and the total amount you'll spend out-of-pocket for the year if you need a lot of care. The categories don't reflect the quality or amount of care the plans provide.

There are 2 dental plan categories (Low and High) based on how you and the plan can expect to share the costs of covered services. The dental plan category your employer chooses affects the total amount you'll likely spend out-of-pocket for dental benefits during the year.

To learn more about health and dental plans, visit [marketplace.cms.gov/outreach-and-education/things-to-think-about-shop-2016.pdf](https://www.marketplace.cms.gov/outreach-and-education/things-to-think-about-shop-2016.pdf).

In this section of the employee enrollment application, you can review the plan(s) offered by your employer. You'll either see one health and/or dental plan offered by your employer, or your employer will offer you a choice of health and/or dental plans. If you're offered a choice of plans, this is called "Employee Choice." This means that your employer will select one plan category and you can choose any health or dental plan (if offered) from any insurance company in that category.

- **Review employer's health coverage.** The plan(s) you'll see are based on your employer's primary business address. Select **View plan details** to see plan details, like copayments, laboratory and outpatient services, medical devices, emergency care, and inpatient hospital services. If your employer is offering you a choice of plans, you'll see a list of plans to compare.
 - **Compare plans.** If you have multiple plans listed, you can select up to 3 plans to compare side-by-side. Select the **Compare** checkbox for each plan you want to compare. Then select **Compare plans**.
 - **Sort plans.** Select **Sort by** on the drop down menu to see your options. You can sort by:
 - Employer's monthly share high to low
 - Employer's monthly share low to high
 - Employee's monthly share high to low
 - Employee's monthly share low to high
 - Annual deductible high to low

On the page that says **I'm declining this coverage offer**, select the health coverage you currently have or will have once your employer's coverage is effective. Then select **CONTINUE**.

The screenshot shows a modal window titled "I'm declining this coverage offer" with a close button (X) in the top right corner. The main question is "Will you have any of these sources of health coverage once this employer's SHOP plan is effective?". Below this, there are two checked checkboxes: "I waive this health coverage." and "I waive this dental coverage.". Between these two checkboxes is a list of radio button options: "Individual private health insurance", "Insurance from another job", "Insurance through another person's job", "Medicare", "Medicaid", "TRICARE", "VA health care programs", and "Indian Health Service". At the bottom of the modal, there are two buttons: "CANCEL" and "CONTINUE". The "CONTINUE" button is highlighted with a red rectangular box, and a red arrow points to it from the right. In the background, partially obscured, is a form with a "Coverage start date" of "01/01/2016" and two "Yearly deductible" fields with values "\$4,000.00" and "\$2,000.00". At the very bottom of the page, there is a footer with links: "GLOSSARY | CONTACT US | ARCHIVE" on the left and "ACCESSIBILITY | PRIVACY POLICY | USING THIS SITE | PLAIN WRITING | VIEWERS & PLAYERS" on the right.

Special Enrollment Period

You and your dependents (if dependent coverage is offered) may have a right to sign up for employer coverage, or make changes to your coverage choices outside of the employer's initial Open Enrollment Period. Job-based plans must provide this Special Enrollment Period (SEP) of 30 days following certain life events that involve a change in dependent status or loss of other health coverage. If you don't make a change during the SEP, you'll have to wait until your employer renews coverage. If your employer doesn't offer dependent coverage, the SEP applies only to qualified employees. [Learn more about the SEP](https://marketplace.cms.gov/outreach-and-education/buying-shop-coverage-2016.pdf) and qualifying life events at marketplace.cms.gov/outreach-and-education/buying-shop-coverage-2016.pdf.

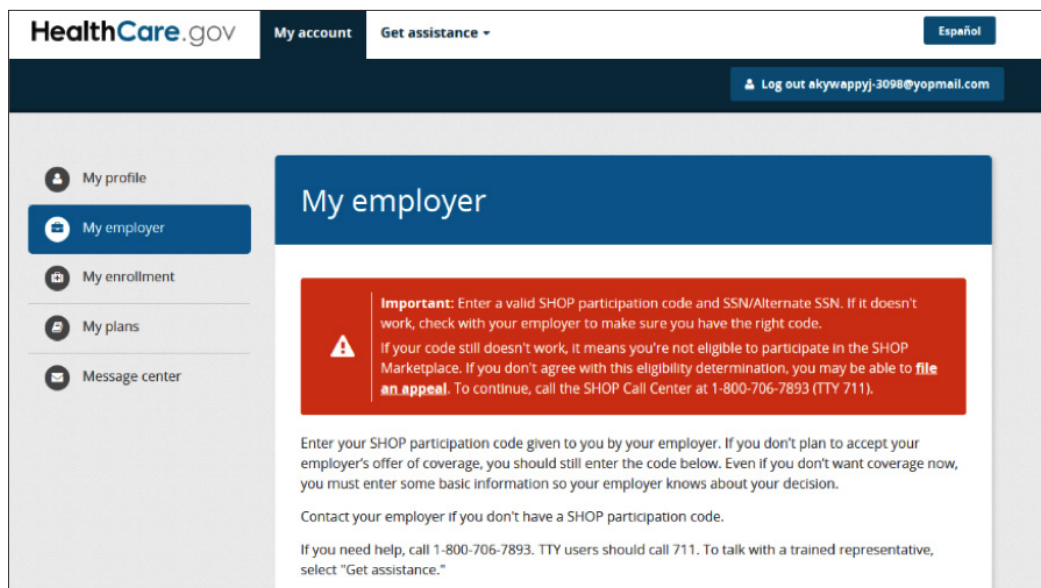

If you want to report a life event that may qualify you for an SEP, contact your employer as soon as possible. Your employer or the employer's agent/broker can report the event by logging into their HealthCare.gov account, or by calling the SHOP Call Center.
