CMS
CENTERS FOR MEDICARE & MEDICAID SERVICES

WHO SHOULD COMPLETE AND SUBMIT THIS APPLICATION

Most physicians and eligible professionals (as defined in section 1848(K)(3)(B) of the Social Security Act) enroll in the Medicare program to be reimbursed for the covered services they furnish to Medicare beneficiaries. However, with the implementation of Section 6405 of the Affordable Care Act, CMS requires certain physicians and eligible professionals to enroll in the Medicare program for the sole purpose of ordering or certifying items or services for Medicare beneficiaries, and prescribing Part D drugs. These physicians and eligible professionals do not and will not send claims to a Medicare Administrative Contractor (MAC) for the services they furnish. The physicians and eligible professionals who may enroll in Medicare solely for the purpose of ordering and certifying and prescribing Part D drugs include, but are not limited to, those who are:

- Employed by the Department of Veterans Affairs (DVA)
- Employed by the Public Health Service (PHS)
- Employed by the Department of Defense (DOD)/Tricare
- Employed by the Indian Health Service (IHS) or a Tribal Organization
- Employed by Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHC) or Critical Access Hospitals (CAH)
- Licensed Residents (as defined in 42 C.F.R. section 413.75(b)) in an approved medical residency program
- Dentists, including oral surgeons
- Pediatricians
- Retired physicians who are licensed

Once enrolled, you will be listed on a CMS database and will be deemed eligible to order and certify services and items or prescribe Part D drugs for Medicare beneficiaries.

Physicians and eligible professionals can apply to enroll for the sole purpose of ordering and certifying items and/or services to beneficiaries, and prescribing Part D drugs in the Medicare program or make a change in their enrollment information using either:

- The CMS-855O application available on the Internet-based Provider Enrollment, Chain and Ownership System (PECOS), or
- The paper CMS-855O application. Be sure you are using the most current version.

For additional information regarding the Medicare ordering and certifying and Part D prescribing enrollment process, including Internet-based PECOS and to get a copy of the most current CMS-855O application, go to **https://www.cms.gov/MedicareProviderSupEnroll**.
