DEAR APPLICANT LETTER

Dear Applicant:

The Secretary invites applications for new awards for fiscal year (FY) 2011 under the Research Fellowships program (84.133F), also known as the Mary E. Switzer Fellowship authorized under the Rehabilitation Act of 1973, as amended, to carry out either research or development activities. Prior to completing the grant application, please review the Federal Register Notice included in this application package.

Only individuals are eligible for this competition. Institutes of Higher Education or other entities cannot submit this competition for the individual either by e-grants.ed.gov (electronically) or by paper. No IHE or institutes should sign these forms; the individual must sign any of the forms.

There is a restriction on the number of pages for this competition. Applicants must include all of their material for the narrative (Part III) within the 24 double-spaced page limit. This page limit does not include the forms, abstract, bibliography, eligibility statement, curriculum vitae, letters of recommendation or information on the protection of human subjects.

The program narrative must address the selection criteria included in this application packet (Section C). To facilitate the peer review process, you should address the criteria in the order presented. Each proposal **should include a one-page abstract**. The abstract is a critical component of the proposal, and it should highlight the purpose, target population to be served during the project period, planned goals and objectives, innovative strategies and research methods to be utilized, project outcomes, and dissemination. Proposal should also include an eligibility statement, curriculum vitae, and letters of recommendation, and information on human subjects protection (if applicable). No budget is required. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

Your electronic application must comply with any page-limit requirements described in this notice.

APPLICATION PROCEDURES

This application package contains information and the required forms for potential applicants to apply and be considered for a FY 2011 grant award under this competition, including the published Federal Register notice dated June 1, 2010.

Dear Applicant – Page 2

Potential applicants are advised to read the materials carefully, particularly the information on how to prepare an application, the protection of human subjects, the format and addresses for submitting, and the selection criteria (Section C) used by the reviewers to evaluate each application.

You **must** submit your application electronically through the e-application system. **<http://e-grants.ed.gov>**. See Section B, Notice Inviting Applications and Section D, Application Transmittal Instructions. There is a demo on the e-Application website.

NOTE: You will be uploading sections of your application by heading. There is a heading for: (1) abstract; (2) table of contents; (3) project narrative; (4) other – resumes; (5) other – letters of commitment/support; (6) other and (7) budget narrative/justification. There is a file-size limitation to each section and you may only upload one document under each heading.

Electronic copies must be fully uploaded on the e-Application site by 4:30:00 pm, Washington DC time on the closing date, **February 1, 2010**. It may take up to several hours for this process. Please allow several hours or a full day to submit your application. If there is a submission error, time will be needed to correct the error and resubmit in paper or electronic format. **We encourage you to read Section D – e-Application Submission Procedures and Tips for Applicants**

APPLICATIONS FOR NEW AWARDS**

**SECTION

**Selection Criteria
Research Fellowship Program**

The Secretary evaluates applications for Fellowships according to the following criteria in 34 CFR 356.30.

(a) Quality and level of formal education (worth 15 points), previous work experience (worth 20 points), and recommendations of present or former supervisors or colleagues that include an indication of the applicant's ability to work creatively in scientific research (worth 15 points); and:

(b) The quality of a research proposal of no more than 24 double spaced pages containing the following information: (1) The importance of the problem to be investigated to the purpose of the Rehabilitation Act and the mission of the National Institute on Disability and Rehabilitation Research (NIDRR) (worth 10 points). (2) The research hypotheses or related objectives and the methodology and design to be followed (worth 30 points). (3) Assurance of the availability of any necessary data resources, equipment, or institutional support, including technical consultation and support where appropriate, required to carry out the proposed activity (worth 10 points).

The application should include all required forms, an abstract, a project narrative, an eligibility statement, a curriculum vitae, letters of recommendation, and information on the protection of human subjects (See Section F: "What should be included in the application" for details.)

Any letters of recommendation received separately from the application will not be forwarded to the reviewers. If the applicant proposes to use unique tests or other measurement instruments that are not widely known in the field, it would be helpful to include the instrument in the application.

Many applications contain voluminous appendices that are not helpful and in many cases cannot even be mailed to the reviewers. It is generally not helpful to include such things as brochures, general capability statements of collaborating organizations, maps, copies of publications, or descriptions of other projects completed by the applicant.

SECTION D

Protection of Human Subjects

Protection of Human Subjects

Research activities involving human subjects supported by awards under these programs are subject to Department of Education Regulations for the Protection of Human Subjects.

If you are applying on Grants.gov there is a separate place to include exempt and non-exempt narratives.

Applicants answering "Yes" to item 3 on form ED Supplemental to the SF 424 on whose research activities are nonexempt must complete the seven-point narrative on protection of human subjects. Additionally, seven point narratives are required for each participating partner if research is being conducted at other sites.

Copies of the Department of Education regulations for the Protection of Human Subjects are available from the Grants Policy and Oversight Staff (GPOS), Office of the Chief Financial Officer, Washington, D.C., telephone: (202) 260-3353 and on the Protection of Human Subjects in research Web Site at:

<http://www.ed.gov/about/offices/list/ocfo/humansub.html>

YOU DO NOT NEED AN ASSURANCE OR IRB APPROVAL AS A CONDITION OF APPLYING FOR THIS AWARD.

Section E
E-Application Submission Procedures
and Tips for Applicants

IMPORTANT – PLEASE READ FIRST

U.S. Department of Education
e-Application Submission Procedures and
Tips for Applicants
<http://e-grants.ed.gov>

To facilitate your use of e-Application, this document includes important application preparation and submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education. Please read and follow these step-by-step directions to create and submit your application.

ATTENTION

Applicants using the Department of Education's e-Application system will need to register first to access an application package. Forms in an application package are completed on line and narratives are uploaded while logged into the system. Therefore, allow sufficient time to complete your application before the closing date. If you have not used e-Application in the past, you may want to walk through the Demo available on the e-Application homepage. If you encounter difficulties, you may also contact the e-Grants help desk on 1-888-336-8930. The following are steps you should follow to successfully complete an application with e-Application.

Step 1 – Determine if your program is accepting electronic applications. The Federal Register Notice of each program will indicate whether the program is accepting e-Applications as part of the Department's e-Application program. Here is a link to the Department's Federal Register notices: <http://www.ed.gov/news/fedregister/announce/index.html>. Additional information on the Department of Education's grant programs can be found at <http://www.ed.gov/about/offices/list/ocfo/grants/grants.html>.

Step 2 – Register in e-Application to access the application package. If you are a new user, you will need to register to use e-Application. From the e-Grants Portal Page <http://e-grants.ed.gov/>, click on the continue button and click the register button on the right side of the next page. Select the e-Application module and click the next button. Please provide the requested information. Your e-Grants password will be sent to the e-mail address you provide. Once you receive the e-mail, enter your username and password and click the login button.

If you already have a username and password for e-Grants, use them to login. If you have access to more than one e-Grants module, you will be directed to select which module you wish to enter. Keep in mind that this username and password will be used for all e-Grants modules. In order to update your registration for additional e-Grants modules, click the appropriate tab on the top of the screen and provide the requested information.

Note the following browser compatibility problems. The site is viewed best in Internet Explorer 5. We currently support IE 5, Netscape 6.2, Firefox 2.2 (along with later versions of IE, Netscape and Firefox). Please make sure that you have **Cookies** and **JavaScript** enabled in your browser.

Step 3 - **Add Application Package to your Start Page.** From your Start Page, click on the "Add" button to see the list of application packages. Click on a specific package link on the List of Application Packages to apply. The package will now appear on your Start Page. From this point forward, you will access your unique application from your Start Page (not the Packages Page).

Step 4 - **Begin the Application.** Click on the underlined Application Package Title on your Start Page. This brings you to a page where you will see all of the application's forms and narratives listed as underlined links.

Step 5 - **Fill out Forms.** Enter a form by clicking on the underlined form title in order to enter data. Remember to click the "Save" button at the bottom of the form and check the "Form Completed" box for each form as you complete it.

Step 6 - **Upload File(s) for Narrative Responses.** Click on an underlined narrative form title for the e-Application. Enter the title of the document, and click on the "Browse" button to locate your file. Remember to click the "Save" button after you upload the document and check the "Form Completed" box when you finish uploading your file(s). Please note for file uploads, we accept .doc, .rtf, and .pdf files only. If you are using Word 2007, please save your document in a lower version of Word before uploading into e-Application.

Step 7 - **Verify Information/Print Application.** Verify your information is complete and correct on all required forms and narratives. You have the option to print each form at any time by clicking on the print/view icon  next to the appropriate form. After submission of the forms and narratives, you have the option to print a complete e-Application package in PDF by clicking on the "Request Complete Package in PDF" on the e-Application PR/Award page. A second window will open informing you that your request has been received and that you will be notified via e-mail once it is available. This process can take anywhere from a few minutes to a few hours. Once you receive the e-mail, click on the link in the text of the message and enter your username and password in the new window. This will open the PDF file from which you can view/print the entire package. In addition, a blank complete package in PDF will be accessible from the package page in e-Application.

Step 8 - **Submit your Application.** Only authorized individuals for your organization can submit an application. Please check with your Authorizing Representative or sponsored research office before submission. Click on the "Ready to submit" button at the bottom of your application. Enter and verify the Authorizing Representative information. Click the "Submit" button. You will receive an e-mail to confirm that your application was received, and it will include a unique application number. Please print and keep this e-mail for your records. [Reminder: applications must be submitted before 4:30:00 p.m., Washington, DC time, on the deadline date for applications. e-Application will not accept your application if you try to submit it after 4:30:00 on the deadline date.]

Step 9 - **Fax the signed SF 424 Cover Page (or Program Specific Cover Page).** Write your unique application number (received in step 8) on the upper right corner of your printed SF 424 Cover Page (or Program Specific Cover Page), and fax it to the Application

Control Center (202) 245-6272 within 3 business days of submitting your e-Application.

NOTE: For more detailed information on submitting an e-Application, please see the **User Guide**. In addition, please try practicing with our e-Application Demo site by clicking on the Demo button found on the upper left corner of the e-Application Home Page. Both the User Guide and Demo can be found at <http://e-grants.ed.gov>.

Other Submission Tips

- 1) **SUBMIT EARLY - We strongly recommend that you do not wait until the last day to submit your application.** The time it takes to upload the narratives for your application will vary depending on a number of factors including the size of the files and the speed of your Internet connection. If you try to submit your application after 4:30:00 p.m., Washington, DC time on the deadline date, the e-Application system will not accept it.
- 2) If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

- 3) **Dial-Up Internet Connections** - When using a dial-up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial-up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date. (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Education approved file types detailed in the Federal Register application notice (.doc, .pdf or .rtf). If using Word 2007, save your file to an earlier version of Word before uploading. Also, do not upload any password-protected files to your application.
2. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters. In addition, applicants should avoid including special characters in their file names (for example, %, *, /, etc.) Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
3. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. Please note that each file attachment in e-Application has a file size limitation, which is anywhere from 2 to 8 MB, and the limitation will be indicated on the individual screen when you upload a file. For reference, however, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the size of your attachments before uploading them into e-Application.

FREQUENTLY ASKED QUESTIONS

**POINTS TO REMEMBER IN APPLICATION
PREPARATION**

Frequently Asked Questions

1. CAN I GET AN EXTENSION OF THE DUE DATE?

In the case of most competitions the answer is no. On rare occasions the Department of Education may extend a closing date for all applicants. If that occurs, a notice of the revised due date is published in the Federal Register, this extension applies to all applications for a given competition. There are no extensions or exceptions to the due date made for individual applicants. Additionally, there are provisions for extension for Grants.gov, per the guidance included in the application package.

2. WHAT SHOULD BE INCLUDED IN THE APPLICATION?

The application should include a project narrative, vitae of key personnel, and a budget, as well as all other forms identified in this package. Vitae of staff or consultants should include the individual's title and role in the proposed projects, and other information that is specifically pertinent to this proposed project. The budgets for all years, including a detailed budget narrative, should be included. The 133F (Research Fellowship) is the exemption to the required budget. If collaboration with another organization or individual is involved in any proposed activity, the application should include assurances of participation by the other parties, including written agreements or letters of cooperation. It is not useful to include general letters of support or endorsement in the application. If the applicant proposes to use unique tests or other measurement instruments that are not widely known in the field, it would be helpful to include the instrument in the application. Many applications contain voluminous appendices that are not helpful and in many cases cannot even be mailed to the reviewers. It is generally not helpful to include such things as brochures, general capability statements of collaborating organizations, maps, copies of publications, or descriptions of other projects completed by the applicant.

3. WHAT FORMAT SHOULD BE USED FOR THE APPLICATION?

NIDRR generally advises applicants to organize the application to follow the selection criteria that will be used. The project narrative should address the specific selection criteria for the competition. The specific review criteria vary according to the specific programs and are contained in this application package. Additionally, applicants should provide clearly stated hypotheses, goals, objectives, expected outcomes, and public benefit of the research or development project. The application should be organized to provide a thorough description of the methods and target population(s) and supported by evidence of need for the project, as identified in the relevant literature; citations are useful and may strengthen the proposal. Specific information on the format can be found in the application format section of this application package.

4. ARE THERE PAGE LIMITS TO MY APPLICATION?

NIDRR has two competitions with mandatory page limitations, Research Fellowships (133F) and Small Business Innovative Research (133S). All other competitions will suggest page limitations for the narrative sections of the proposal. The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. The Notice Inviting Applications will describe the mandatory or suggested limitations, such as page size, spacing, and font size. The suggested page limit does not apply to the cover sheet; the human subjects narrative; the budget narrative; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, you must include all pertinent information in the application narrative.

5. MAY I SUBMIT APPLICATIONS TO MORE THAN ONE OPEN NIDRR PROGRAM COMPETITION AT A TIME OR MORE THAN ONE APPLICATION TO A PARTICULAR PROGRAM COMPETITION?

Yes. You may submit more than one application in any given competition. You may submit to as many open competitions, for which an application is responsive to the program requirements. However, each competition is unique and the selection criteria will vary from one competition to another. It is important that each separate application include the required materials for that particular competition.

6. DO I NEED AN ABSTRACT AND WHAT SHOULD IT INCLUDE?

Yes. The abstract is used by both the peer reviewers and the program staff in the review and processing of the application. The ONE-PAGE abstract should be a comprehensive description of the project (all years), not a description of the competency of the institution or project director. It is not an executive summary. It can be single or double-spaced. If applying through Grants.gov, use the ED Abstract form to attach your abstract or the abstract section in e-Application.

7. WHAT IS THE ALLOWABLE INDIRECT COST RATE?

The limits on indirect costs vary according to the program. NIDRR currently has two programs with a restricted indirect cost rate. An applicant for a Rehabilitation Research and Training Center (133B) program may not collect more than 15% of the total grant award as indirect cost charges. An applicant for Advanced Rehabilitation Research Training project (133P) is limited to a training grant indirect rate of 8%, less tuition, stipend, and fees. For all other programs, Disability Rehabilitation Research Projects (133A), Rehabilitation Engineering Research Centers (133E), Field Initiated projects (133G) and Small Business Innovative Research (133S), applicants must have a current indirect cost rate agreement to charge indirect costs. The maximum amount of the award includes both direct and indirect costs. The Department's Indirect Cost office has more information on indirect cost rates.

8. CAN PROFIT MAKING BUSINESSES APPLY FOR GRANTS?

Yes; however, for-profit organizations will not be able to collect a fee or profit on the grant. It varies by program.

9. CAN INDIVIDUALS APPLY FOR GRANTS?

Individuals are not eligible to apply for most grant competitions under NIDRR programs (133A, B, E, G, P, or S). The one exception is the Research Fellowship program (84.133F), which is available only to individuals. The Merit Fellowships and Distinguished Fellowships awards are one Full Time Equivalent (FTE) awards. The Fellow must work principally on the fellowship during the term of the fellowship award. We define one FTE as equal to 40 hours per week. No Fellow is allowed to be a direct recipient of Federal government grant funds in addition to those provided by the Switzer Fellowship (during the duration of the Fellowship award performance period). Fellows may, subject to compliance with their institution's policy on additional employment, work on a Federal grant that has been awarded to the Fellow's institution. Fellows may, subject to compliance with their institution's policy on additional employment, work additional hours at their institution. Additional work that is not monitored by the Fellow's institution is subject to NIDRR's limits regarding the number of additional hours permitted. Please contact NIDRR if the latter situation applies.

10. CAN NIDRR STAFF ADVISE ME WHETHER MY PROJECT IS OF INTEREST TO NIDRR OR LIKELY TO BE FUNDED?

No. NIDRR staff can only advise you of the requirements of the program in which you propose to submit your application. However, staff cannot advise you of whether your subject area or proposed approach is likely to receive approval.

11. HOW DO I ENSURE THAT MY APPLICATION WILL BE REVIEWED UNDER THE CORRECT COMPETITION?

Applicants should be sure that their applications are referred to the correct competition by clearly including the competition title and CFDA number, including alphabetical code, on the Standard Form 424, and include a project title that describes the project, based on the competition. If reapplying for the Field Initiated (133G), you should identify if the application is a resubmittal from a previous fiscal year.

12. HOW SOON AFTER SUBMITTING MY APPLICATION CAN I FIND OUT IF IT WILL BE FUNDED?

The time from closing date to grant award date varies from program to program. Generally speaking, NIDRR endeavors to have awards made within six to seven months of the closing date. Unsuccessful applicants generally will be notified within that time frame as well. When NIDRR is able to release information on the status of grant applications, it will notify applicants by letter. The results of the peer review cannot be released except through this formal notification. This information is **not** posted on the NIDRR homepage or the Grants.gov or e-Application website.

13. WHAT START DATE SHOULD I USE ON MY APPLICATION?

For the purpose of estimating a project start date, the applicant should estimate approximately six to seven months from the closing date, preferably October 1. You must have a start date that allows you to complete an Annual Performance Report (APR) by May 31st with six month of activities to report on.

14. IF MY APPLICATION IS SUCCESSFUL, CAN I ASSUME I WILL GET THE REQUESTED BUDGET AMOUNT IN SUBSEQUENT YEARS?

No. Funding in subsequent years is subject to availability of funds and project performance.

15. WILL ALL APPROVED APPLICATIONS BE FUNDED?

No. Peer review panels can result in more applications being determined to be worthy of consideration for funding than available resources allow.. Unsuccessful applicants are encouraged to consider resubmitting applications in future competitions. Funded applications will be notified in the manner described in #12.

16. HOW DOES THE REPORTING REQUIREMENTS IN SUBSEQUENT YEARS IMPACT ON MY APPLICATION?

Successful applicants with multi-year grants must submit an Annual Performance Report (APR) demonstrating and documenting their progress in meeting approved project objectives and their success in addressing the performance measures outlined in the Notice Inviting Applications. Grantees must also provide the most current financial and performance measure data for each year of the project. Grantees will also be required to submit a final performance report, 90 days after the end of the project period. For NIDRR, the APR is submitted electronically via a web-based system. This system is maintained by a contractor and grantees are notified after receiving an award with the appropriate URL and personal password to access the system. The contractor will also send a letter to the grantee informing them when and how to submit their APR. The Department will use the applicant's performance data for program management and administration, in such areas as determining new and continuation funding and planning technical assistance. Grantees will participate fully in any evaluation of the NIDRR program carried out by the Department of Education.

17. DO I HAVE TO INCLUDE COST SHARE/MATCHING IN MY APPLICATION?

NIDRR has cost share/matching requirements on two of its programs, the Disability Rehabilitation Research Projects (133A) and the Field Initiated program (133G). This information should be reflected on the ED 524 form in the Section B – Budget Summary Non-Federal Funds and in the budget narrative for each year. An amount of up to 1% of the total yearly budget amount is requested; however, you may include more than 1%. If the cost share amount is changed for a competition, it will be announced in the Notice Inviting Applications. For more information, see EDGAR 74.23 and 84.24.

18. WHAT DO I NEED TO DO ABOUT HUMAN SUBJECTS PROTECTION IN MY RESEARCH?

If you are planning research involving human subjects at any time during the project period, you check “Yes” in the Human Subjects section of the ED supplement to the SF 424 form. If you checked “Yes,” you need to indicate whether the research is exempt or not exempt from the protection of human subjects requirements of EDGAR part 97 and if you have an IRB number. You will need to fill out the human subjects narrative for each site where the research is being conducted. The program and the Department’s human subjects staff review the applicant’s response against the application itself to determine its accuracy. They contact you for additional information or clarification, if needed. More information can be found in the instructions for the SF 424 form and in this application package in the Human Subjects section.

19. SHOULD I SUBMIT MY APPLICATION VIA e-Application?

The Federal Government is moving towards mandatory electronic submission for its grant applications. The Notice Inviting Applications (NIA) provides information on how to submit via e-Application and the application package includes helpful tips. The NIA will also identify if paper submission is allowed. If you do submit by paper, include a disk copy of your application. **We strongly suggest:** (1) Read the e-Application instructions carefully; (2) Check with your organization or institution if they are already registered in e-Application; if not, **do not wait** to set up your account because it can take five or more days to register; (3) Review the heading sections before sending the application to ensure that all information has been uploaded correctly and completely; and (4) Submit early; electronic applications must be uploaded on e-Application by 4:30:00 pm, Washington, D.C. time on the closing date. Please allow several hours or a full day for this process; if there is a submission error, time will be needed to correct the error and resubmit to meet the deadline. Applications received/logged in after 4:30:00 pm (Washington, DC time) will not be reviewed.

29. The application information will be uploaded in three areas: ED Abstract Form; Program Narrative Attachment Form; and Other Narrative Attachment Form. The ED Abstract Form is to be used for the abstract. The Program Narrative Attachment Form is to be used for the application narrative, which addresses the selection criteria. The Other Narrative Attachment Form is to be used for the eligibility statement, curriculum vitae, letters of recommendation, and any other appendices.

30. **UNSUBMIT**: Please note that e-Applicaton **does** allow you to unsubmit your application if you find an error before the due date and time. You will have to select unsubmit then make your changes and select the Ready to Submit button again in order to complete the process.

Miscellaneous Information and Reminders

31. **Rehabilitation Act**: To find information on the Rehab Act of 1973, as amended, as well as other NIDRR policy & legislation, go to:
<http://www.ed.gov/about/offices/list/osers/nidrr/policy.html> or
<http://www.ed.gov/policy/speced/reg/narrative.html?exp=0>
32. **Help in Preparing Applications**. NIDRR staff may not participate in the actual writing of an application. NIDRR staff may provide general program information to applicants and may respond to specific questions about application requirements, evaluation criteria, and announced priorities. Applicants should understand that such previous contact is not required, nor does it guarantee the success of an application.
33. **Possibility Of Learning The Outcome Of Review Panels Prior To Official Notification**. Every year NIDRR is contacted by a number of applicants who have legitimate reasons for needing to know the outcome of the review prior to official notification. Some applicants need to make job decisions; some need to notify a partner, etc. Regardless of the reason, NIDRR cannot share information about the review with anyone until the Assistant Secretary has approved a slate of projects recommended for funding. You will be notified as quickly as possible either by telephone followed by a letter (if your application is recommended for funding), or through a letter (if your application is not successful).
34. **Return of Non-Funded Applications**. We do not return original copies of applications. Thus, applicants should retain at least one copy of the application. Copies of reviewer comments will be mailed to all applicants.
35. **Eligible Applicants. Distinguished Fellowships** are awarded to individuals with a doctorate, other terminal degree, or comparable academic qualifications who have seven or more years of research experience in subject areas, methods or techniques directly relevant to rehabilitation research. **Merit Fellowships** are awarded to individuals with advanced professional training or research experience in independent study in appropriate areas which is directly pertinent to disability and rehabilitation, but who are in earlier stages of their research career, with less than the required seven years' experience, or who do not have a doctorate.
36. If you are looking to see what we have funded or are currently funding, we have an on-line program directory at www.naric.com. Once there - click on "NIDRR". Under "grantee resources" click on "search for other research projects". This will connect you to the program directory. Click on "search all fields" and then type in your topic. By clicking on a grant number you will find information on who has the grant, how to contact them, and a brief description of their project. The Fellowship projects will start with H133F. Instead of "search all fields" you can select "search by project type", ie., Research Fellowship.

37. Reporting Requirements. Successful fellowship applicants are required to submit a final performance report, 90 days after the end of the project period. For NIDRR, the Final Performance Report is submitted electronically via a web-based system. This system is maintained by a contractor and grantees are notified after receiving an award with the appropriate URL and personal password to access the system. The contractor will also send a letter to the successful grantees informing them when and how to submit their final performance report. The final report will demonstrate and document the progress in meeting approved project objectives and the success in addressing the performance measures outlined in the Notice Inviting Applications. Grantees must also provide the most current performance measure data for the project.
38. NIDRR's Long Range Plan was published in the Federal Register on February 15, 2006 (71 FR 8165), can be accessed on the Internet at the following site:
<http://www.ed.gov/about/offices/list/osers/nidrr/policy.html>

DUNS Number Instructions

NOTE: Check with your fiscal office to see if your institution has an assigned DUNS before contacting Dun & Bradstreet

D-U-N-S No.:

Please provide the applicant's D-U-N-S Number. You can obtain your D-U-N-S Number at no charge by calling **1-800-333-0505** or by completing a D-U-N-S Number Request Form. The form can be obtained via the Internet at the following URL:

http://www.dnb.com/US/duns_update/index.html

The D-U-N-S Number is a unique nine-digit number that does not convey any information about the recipient. A built in check digit helps assure the accuracy of the D-U-N-S Number. The ninth digit of each number is the check digit, which is mathematically related to the other digits. It lets computer systems determine if a D-U-N-S Number has been entered correctly.

Dun & Bradstreet, a global information services provider, has assigned D-U-N-S numbers to over 43 million companies worldwide. **Live help Monday-Friday 8am-6pm (EST) Dial 1.888.814.1435**

Note: Electronic submission via e-Grants must use DUNS number your organization used when it registered in the Central Contractor Registry.
