### Paperwork Reduction Act Statement

The Transportation Security Administration (TSA) requires physical/medical examinations prior to an individual's appointment to a TSA Security Officer position. TSA uses this form to obtain information relevant to an applicant's health status for purposes of making an employment decision. This is a mandatory collection of information if you wish to be considered for a TSA Security Officer position. It is estimated that the total average burden per response associated with this form is approximately 5 minutes. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The control number for this collection is OMB control number 1652-0032, which expires 3/31/2016.
