Student Financial Aid Records Instrument Facsimile

November 2015

High School Longitudinal Study of 2009 (HSL:09)

Student Financial Aid Records Instrument

This appendix provides a facsimile of the High School Longitudinal Study of 2009 (HSL:09) student financial aid records instrument. As part of NCES' initiative to align the data elements requested from institutions across studies (thereby reducing burden on participating institutions), the HSL:09 student financial aid records instrument has been designed to be consistent with other upcoming student records instruments – specifically, the 2015-16 National Postsecondary Student Aid Study (NPSAS:16) and the 2012/17 Beginning Postsecondary Students Longitudinal Study (BPS:12/17) student records collections. The facsimile presented in this appendix is consistent with the student records instrument submitted for the NPSAS:16 full scale collection (OMB #1850-0666 v.16). Table 1 provides a summary of the changes to the content of the HSL:09 instrument when compared to the NPSAS:16 full scale instrument, the primary updates being to adapt items to collect data for multiple academic years (NPSAS only collects data for a single academic year, whereas HSL:09 will collect data for multiple years). Items that have been duplicated for collection of multiple academic years are listed as revised items in the table.
