	HRP Management Official (Print Name and Signature)

Privacy Act Statement

Sections 2165 and 2201(I) of title 42 of the United States Code authorize the collection of information by the U.S. Department of Energy (DOE) to regulate the possession and use of special nuclear material and access to restricted data. DOE will use the information collected on this form to aid in the determination of an individual's eligibility for an HRP certification. The information may also be provided to other agencies of the United States government for investigations that involve protection of the national security, public health and safety, or the environment. Submission of the information requested on this form is voluntary, but failure to provide the information may result in denial of an HRP certification. If DOE uses the information for purposes other than those indicated in this statement, it will provide notice of those additional purposes to persons who have submitted information on this form.
