

What happens after the Home Mortgage is obtained?

A nationwide survey of the recent experiences of homeowners throughout the United States

If you had a mortgage in the last few years we'd like to hear from you. Learning directly about your experiences will help us to help future borrowers like you.

Two Federal agencies, The Federal Housing Finance Agency and the Consumer Financial Protection Bureau, are working together on your behalf, to improve the safety of the U.S housing finance system and ensure all consumers have access to financial products and services.

We want to make it as easy as possible for you to complete this survey. The paper questionnaire can be completed and return in the enclosed business reply envelope, OR, if it would be easier for you to do the survey online:

- 1 Go to www.XXXXsurvey.com
- 2 LOG IN with unique PIN # provided in the letter.

Some people find the online version of the questionnaire faster to complete, because it automatically skips any questions that don't apply to you. If you do this, there is no need to also return the paper questionnaire, and it can be discarded.

In either case thanks so much for your help with this important national effort to improve people's experiences in financing home ownership.
