To comply with this requirement, the Commission is publishing notice of the proposed collection of information listed below.

Title: Procurement Contracts (OMB Control No. 3038–0031). This is a request for an extension of a currently approved information collection.

- Ways to enhance the quality of, usefulness, and clarity of the information to be collected; and
 - Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.¹

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <http://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the information collection request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable

laws, and may be accessible under the Freedom of Information Act.
