**Explanation of Non-Substantive Changes to OMB Control Number: 3060-0139:**

- Application for Antenna Structure Review, FCC Form 854.

---

**Purpose of this Submission:** This submission documents a non-substantive change justification to an existing information collection pursuant to 44 U.S.C. § 3507. This submission seeks to update FCC Form 854 instructions for Item 17-27 to clarify that contact representative information is required for all entity types. If the owner is an individual you may complete these items with the owner's information, individuals do not need to have a separate contact representative. Additionally, item 42 is being updated to incorporate the FAA's new Advisory Circular, 70/7460-1L, dated December 4, 2015.

**Summary of Amendments to Form 854 changes for the instructions to Items 17-27**

The Form 854 instructions for items 17-27 is amended to clarify that contact representative information is required for all entity types, and item 42 is updated to incorporate the FAA's new Advisory Circular, 70/7460-IL, dated December 4, 2015.

**Item 17-27 instructions are amended as follows:**

**Current text:**

These items identify the contact representative, if different from the owner/assignee or if the owner is a business. This is usually the headquarters office of a large company, the law firm or other representative of the owner/assignee, or the person or company that prepared or submitted the application on behalf of the owner/assignee. If there is a question about the application, an FCC representative will communicate with the applicant's contact representative.

**Amended text:**

These items identify the contact representative and are required for all Owner Entity Types. This is usually the headquarters office of a large company, the law firm or other representative of the owner/assignee, or the person or company that prepared or submitted the application on behalf of the owner/assignee. If the owner is an Individual you may complete these items with the same information if the individual does not have a contact representative. If there is a question about the application, an FCC representative will communicate with the applicant's contact representative
