\*\* Place a check in the box next to the appropriate codes to indicate the types of expansion clauses in use.  
 (1) Clauses that allow for a range in the number of swine to be delivered  
 (2) Clauses that require a greater number of swine to be delivered as the contract continues  
 (3) Other clauses that provide or allow for expansion in the numbers of swine to be delivered

Response is required to identify the number of swine that could be delivered under the existing contracts (7 U.S.C. 198a and 9 CFR 206). Submitted information held confidential (9 CFR 201.96).

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information is 0580-0021. The time required to complete this information collection is estimated to average 2.0 hours per manually prepared and submitted report and 1.0 hour per electronically prepared and submitted report, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection.
