OMB Control #0693-0033  
Expiration Date: 06/30/2019

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty to failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB Control number. Public reporting burden for this collection is estimated to be 10 minutes per response, including the time needed for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect, to the National Institute of Standards and Technology, Attention: Robin Merse, robin.merse@nist.gov, (301) 975-0495
