In this survey we will be asking questions about:

- Farming
- General Health
- Family Medical History

We hope that you will be willing to answer all the questions, but if for some reason you prefer not to answer certain questions, the survey will allow you to do so.

When we ask for dates or ages, if you can't remember the exact year or how old you were when something happened, please give us your best guess. When we ask how many years you did something, please round to the nearest whole number.

After you have completed the entire survey, please remember to click on the 'Submit' button so that we will know you have completed it.
