

# <u>Attention BEEA Study</u> Participants!

It is important that you make the following preparations for your study visit:

### **Consent Form**

Please take some time to review the consent form so you can be prepared to complete it with the interviewer. The interviewer will address any questions or concerns you may have at the beginning of your visit, or you may also call us at the number below.

## **Prescription Medications**

We will be asking you about the prescription medications you take regularly. Please assemble them in their original containers so they are ready to review with the interviewer.

### Pesticide Use in the Past 12 Months

We will be asking you about pesticides you have used in the past 12 months. This includes use of herbicides, insecticides, fungicides, fumigants, or other chemicals used to kill plants, insects, fungi, molds, or rodents. Do not include antibiotics, sanitizers, antimicrobial soaps, or fertilizers. For each product, we will ask for the product name, active ingredient, and EPA registration number, as well as about total days of use, and dates of most recent use. Please use the back of this card to help you prepare this information.

# **Urine Sample Collection**

Please review the Directions for Urine Collection and the materials in the collection kit. It is very important that you collect the urine sample on the morning of your visit.

Please call us at 1-800-217-1954 if you have any questions.

In preparation for your interview, please record the product name, active ingredient, and EPA registration number of the pesticides you personally mixed, loaded, handled or applied in the past 12 months. This information is available from the product label. We will collect this information at your visit.

Product Name	Active Ingredient	EPA Registration #

Public reporting burden for this collection of information is estimated to average five minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0406). Do not return the completed form to this address.
