OMB No.: 0925-0406

Expiration Date: 09/30/2016

Collection of this information is authorized by The Public Health Service Act (42 USC 285I). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted by mail to complete this online health follow-up survey on behalf of the Agricultural Health Study cohort member because continued involvement can help us learn more about how agricultural and environmental factors may affect the health of farmers and their families.

Public reporting burden for this collection of information is estimated to average 10 - 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0406). Do not return the completed form to this address.

General Instructions for the Online Survey:

- To move through the survey, please use the 'Next' and 'Previous' buttons at the bottom of each page. **Do not use the back button** on your browser.
- If you want to quit and come back later, you may close the survey by clicking the 'X' at the top right corner of the survey window. The answers you provided up to that point are saved.
- To return to this online survey, you will need to go to the study website at www.aghealthsurvey.org (as described in your letter). You will use the same username and password each time you access the survey.

Please click 'Next' to continue.

In this survey we will be asking questions about:

- Farming
- General Health
- Family Medical History

We hope that you will be willing to answer all the questions, but if for some reason you prefer not to answer certain questions, the survey will allow you to do so.

When we ask for dates or ages, if you can't remember the exact year or how old the study participant was when something happened, please give us your best guess. When we ask how many years the study participant did something, please round to the nearest whole number.

After you have completed the entire survey, please remember to click on the 'Submit' button so that we will know you have completed it.
