Dear

We would like to update the health information that we have on file for you at the Framingham Heart Study. As a participant in the Heart Study, it is important that we have information regarding diagnoses for any significant heart disease, vascular disease, stroke or cancer since we last examined you.

Please complete the enclosed medical history update form. Also, please sign and date the consent form. This procedure will give us permission to obtain the necessary information from the physicians and hospitals where you may have received care. Please inform us if there is any name, address or telephone number change.

If you have questions, please don't hesitate to call Mary Ann Crossen at 1-508-935-3430 or 1-800-854-7582, extension 430.

Thank you for your help.

Sincerely,

A handwritten signature in cursive script that reads "Daniel Levy".

Daniel Levy, M.D.
