Privacy Act Statement

Collection and Use of Personal Information

Section 205(a), of the Social Security Act, as amended, 5 U.S.C. 552a(e)(10), and the Government Paperwork Elimination Act, authorize us to collect this information. We will use the information you provide to determine eligibility to access Government Services Online (GSO).

The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent us from granting access to GSO.

We rarely use the information you supply for any purpose other than for determining eligibility for access. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 1. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans Affairs);
- 2. To facilitate investigative and audit activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at <u>www.socialsecurity.gov</u> or at your local Social Security office.

Paperwork Reduction Act Notice: This information collection meets the requirements of 44 U.S.C. §3507, as amended by Section 2 of the <u>Paperwork Reduction Act of 1995</u>. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 15 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to: SSA, 6401 Security Blvd., Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form.
