

Justification for a no material/non-substantive change

ATF Form 3310.6 revision changes:

1. Added "FFL" after "Name" in reporting field
2. Split "name of reporting person" and "signature" line into two separate fields
3. Added email and fax number as alternate means of submitting report
4. Added statement that Shipper/Transferor FFL is required to submit ATF F 3310.11
