OMB Control Number: 2900–0160.

Type of Review: Revision of a currently approved collection.

Abstract: VA pays per diem to State Veterans Homes (SVHs) providing nursing home, domiciliary and adult day health services care to eligible Veterans. VA pays per diem to SVHs for the care of Veterans irrespective of whether the Veteran has wartime or peacetime service.

VA processes two different types of state nursing home per diem payments. Each is determined by a Veteran’s eligibility. One is a higher per diem or prevailing rate for certain Veterans who have service-connected disabilities. The other is a basic rate that is paid to Veterans who are not eligible for the higher rate. VA also ensures that SVHs meet VA standards through surveys, audits, and reconciliation of records. VA requires facilities providing nursing home, domiciliary and adult day health care to furnish an application for recognition based on certification; appeal information, application and justification for payment; records and reports which facility management must maintain regarding activities of residents or participants; information relating to whether the facility meets standards concerning residents’ rights and responsibilities prior to admission or enrollment, during admission or enrollment, and upon discharge; the records and reports which facilities management and health care professionals must maintain regarding residents or participants and employees; documents pertain to the management of the facilities; food menu planning; pharmaceutical records; and life safety documentation. Without access to such information, VA would not be able to

determine whether high quality care is being provided to Veterans.

For an eligible Veteran to be considered for per diem payments for nursing home, domiciliary or ADHC, two forms are required to be submitted to the VA medical center of jurisdiction for each Veteran, at the time of the Veteran’s admission to a SVH (VA Form 10–10EZ, Application for Health Benefits or 10–10EZR, Health Benefits Renewal Form) and VA Form 10–10SH, State Home Program Application for Veteran Care Medical Certification).
