Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0915-0281 and the expiration date is 09/30/2016. Public reporting burden for this collection of information is estimated to average .007 hours per respondent annually, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 10-29, Rockville, Maryland, 20857.

HRSA AIDS Education and Training Centers EVENT RECORD

Instructions: This form should be completed by the program office or trainer that sponsored the training event. Name of Event: 1. AETC Number: 2. Local Partner number: 3. Event Date: M M D D 4. ZIP code where event occurred (for live online events, use state where event was hosted): 5. Program ID Number: The program ID number is a unique number generated by the AETC to identify the event. 6. List the unique identifiers for all participants of the event. L L L М М D D

For questions 7 through 12, check to indicate whether each topic was covered in the event.

7. HIV prevention

- O Behavioral prevention
- O Harm reduction / safe injection
- O HIV transmission risk assessment
- O Postexposure prophylaxis (PEP, occupational and nonoccupational)
- O Preexposure prophylaxis (PrEP)
- O Prevention of perinatal or mother-to-child transmission
- O Other biomedical prevention

8. HIV background and management

- O Acute HIV
- O Adult and adolescent antiretroviral treatment

O Aging and HIV	O Other special p	opulation (specify:)	
O Antiretroviral treatment adherence, including viral load suppression O Basic Science	14. Which other AETCs	collaborate to o	rganize the event?
