BCC: All 2016 CDC Science Ambassador Workshop participants who provided an email address

Subject: 2016 CDC Science Ambassador Workshop: Invitation to provide feedback

Several weeks ago we sent you an e-mail inviting you to complete a voluntary short survey about your participation in the 2016 Science Ambassador Workshop at the Centers for Disease Control and Prevention in Atlanta. We strive to improve the workshop, and are interested in your feedback and suggestions to guide the direction of future workshops.

Please complete the survey by accessing the link below if you have not done so already. The survey should take approximately **20 minutes** to complete. Be sure to complete this survey in one sitting, as you will not be able to return to edit your responses or complete the survey once you exit it. The survey closes on **Monday, August 8th at 11:59 pm EST.**

Your participation in this survey is voluntary and will not affect your earning continuing education units (CEUs). If you have any questions or problems concerning this survey, please contact Meagan Davis at yly5@cdc.gov.

Thank you again for attending this year's workshop and providing feedback.
