

Please complete this brief survey to help guide the direction of Centers for Disease Control and Prevention (CDC) Public Health Grand Rounds. This survey is anonymous. Your participation is voluntary and will not affect any continuing education credits you may have earned.

Thank you for your interest in the CDC Public Health Grand Rounds series.

Please contact [Sara Wolicki](#) if you have any questions or problems concerning this survey.

The public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050).

PAGE
