The screenshot shows a web browser window displaying a SurveyMonkey survey in preview mode. The browser's address bar shows the URL: https://www.surveymonkey.com/r/Preview/?sm=akdvbnui5sj2fhZSHJ_2FqhLeosh_2B9zpUL9dyD03IUmuYSEIVRec9IDHBlcsNPSDL. The SurveyMonkey logo and 'Preview & Test' text are visible in the top navigation bar. The survey content is displayed in a white box with a blue header. The header text is 'Customer Feedback on a Latent Tuberculosis Infection Mobile App'. Below the header is a 'Welcome message' section. The main content area contains the following text: 'Form Approved', 'OMB No. 0920-1050', 'Expiration Date: 06/30/2019', and a paragraph of public reporting burden information. A blue 'Next' button is centered below the text. At the bottom of the survey content, it says 'Powered by SurveyMonkey' and 'See how easy it is to create a survey.' In the top right corner of the survey preview area, there is a callout box that says 'Invite others to add a comment'. The browser's taskbar at the bottom shows various application icons and a 100% zoom level.

Customer Feedback on a Latent Tuberculosis Infection Mobile App

Welcome message

Form Approved
OMB No. 0920-1050
Expiration Date: 06/30/2019

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050)
