Customer Feedback on a Latent Tuberculosis Infection Mobile App

Welcome message

Form Approved
OMB No. 0920-1050
Expiration Date: 06/30/2019

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050)

The screenshot shows a SurveyMonkey survey interface. At the top, the SurveyMonkey logo and "Preview & Test" text are visible. The survey title is "Customer Feedback on a Latent Tuberculosis Infection Mobile App". The current page is labeled "Overview". The main text reads: "Thank you for agreeing to help the Centers for Disease Control and Prevention (CDC) evaluate the Latent Tuberculosis Infection (LTBI) mobile application. Your feedback is extremely important. To proceed through the survey, select your answers for each question and click 'Next'." Below the text are two buttons: "Prev" (disabled) and "Next" (active). At the bottom, it says "Powered by SurveyMonkey" with a link to "See how easy it is to create a survey."
